To the Honorable the Judges of the District Court of Cambria

The undersigned Citizens of the Township Conemaugh respectfully yet earnestly remonstrate against the Confirmation of your Honorable Court of any new to vacate and supply a part of a road in Conemaugh Township running from David Horner to a Private Road in said Township and assess damages for the same for the following among other reasons viz

1st Among the very few signers to the Petition are found the names of persons not Citizens of said Township nor residents in the vicinity of said Road.

2 Because the Road proposed to be vacated has been in existence for sixty years and citizens also have occasion to use it, have habituated themselves to it in its present location and because as they believe it is now on the best site.

3 Because David I Horner who is most interested in said Road will be materially injured by changing its location.

4 Because no benefit will ensue to anybody by a change while injury and damage will necessarily flow from it.

To the Honorable, the Judges of the Court of Quarter Sessions of the Peace in and for the County of Cambria:-

The petition of the undersigned, inhabitants of White township in said County respectfully shows; That a road or public highway has been long since laid out from Fallow Timber to Bell's Mills in Blair County, part of which road, beginning at the intersection of roads above the house of James McCartney, Esq. and leading ~~from Benjamin Higgins~~ to Blair County line, a distance of some three miles; your petitioners conceive, is now become useless, inconvenient, and burdensome to the inhabitants of said township, by reason of the long and tedious hills, - and the making of a new road more recently which far better accommodates the public travel.

Your petitioners therefore pray the Honorable Court that so much of said road not traversed by said new road, may be vacated, agreeably to the Statute in such case made and provided.
