At a Court of General Quarter Sessions of the Peace held at Ebensburg in and for said County on the 13th day of February A. D. 1878, before Hon John Dean President, and John H. Maguire and John D. Thomas Esquires associate Judges.

The Petition of sundry citizens of Barr Township in said County was presented praying that a road be laid out from a point starting from Casper Smiths and running North to Cambria Church to the Township road, leading East and West and praying the Court to appoint proper persons to view and locate the same.

The Court upon due consideration had of the premises do order and appoint Henry Scanlan, Anthony Kirkpatrick and Bernard Mc Gee to view the ground for said road, who, after having first given due and legal notice by printed or written advertisements of the time and place of meeting, and having been duly qualified according to law to discharge duties of their appointment with fidelity, shall proceed to view the same, and if all the said viewers view the same and a majority of them agree that there is occasion for such road they shall proceed to lay out the same as agreeably to the wishes of the petitioners as may be, having respect to the best ground for a road and the shortest distance and in such manner as shall do the least injury to private property.

If the viewers aforesaid shall decide in favor of locating said road, it is hereby made the duty to obtain from the persons through whose land

the road may pass releases from any damages that may accrue to them from opening the same; and in every case where the owners of such land refuse releasing their claim to damages the said viewers shall assess the damages, if any, and make report thereof signed by a majority of the viewers present, and transmit the same together with all releases to the next Court of Quarter Sessions to be filed with the papers relating to said road. And the said viewers shall make report of the proceedings herein to the next Court of Quarter Sessions to be held for said County, accompanying the same with a plot or draft of said road, and the courses and distances and reference to the improvements through which the same passes. In which report they shall state that they have been sworn or affirmed and also whether they judge said road necessary for a public or private road.

~~The~~ The Petition of the undersigned
Inhabitants of the Township of White in said
County respectfully sheweth first that whereas
A remonstrance has been handed into Court against
A Publick Road that has been now leading from
the Lutheran Church to or near the Mouth of
John Matthews Lane now your Petitioners sets forth
in this Petition that some of the men that signed
A Petition for a road has also signed the remonstrance
Second that money of the signers to the remonstrance
live away to the one side of the township and
have know interest at stake in the matter and
third that one of your Petitioners is entirely shut
up and has no outlet to mill or school fourth
that this road if granted will not injure Private
Property as it runs along the Line Between Parties
Except through John Matthews fifth
that it will not Cost the township much to
open said road Except the fencing of the same thing
Sixth that this road if granted is only a

At a Court of General Quarter Sessions of the Peace held at Ebensburg in and for said County on the 12th day of February 1848 before Honorable John Dean President Judge and John H. Magan and John D. Thomas Esquires Associate Judges.

The Petition of sundry inhabitants of the townships of Allegheny and Carroll in said County was presented setting forth; That a public road beginning at or near M. Glades and leading to Ebensburg road near farm formerly C. Bucks in Carroll Township was laid out by order of this Court and opened. That a portion of said road in consequence of soft marshy places has become inconvenient and troublesome to the inhabitants thereof, viz; that portion of said road commencing at or near a set of bars west of barn on land of John Hagan and extending to a point where said road leads through land of C. W. McMullen. And praying the Court to appoint proper persons to view, vacate and supply said portion of the road.

The Court upon due consideration had of the premises do order and appoint Henry Scanlan, Thomas Bishop, and Albert McConnell to view the ground proposed to be vacated and supplied, who after having first given due and legal notice of the time and place of meeting by printed or written advertisements, and having been duly qualified according to law to discharge duties of the appointments with fidelity, shall proceed to view the same, and if all the said viewers view the same and a majority of them agree that there is occasion for said road to be vacated and supplied, they shall

proceed to vacate and supply the same as agreeably to the wishes of the petitioners as may be having respect for the best ground for a road and the shortest distance and in such manner as shall do the least injury to private property.

If the said viewers aforesaid shall decide in favor of ^{and supplying} vacating said road it is hereby made their duty to obtain from the persons through whose land the road may pass releases from any damages that may accrue to them from opening the same; and in every case where the owners of such land refuse releasing their claim to damages the said viewers shall assess the damages, if any, and make report thereof signed by a majority of the viewers present and transmit the same together with all releases to the next Court of Quarter Sessions to be filed with the papers relating to said road.

And the said viewers shall make report of their proceedings herein to the next Court of Quarter Sessions to be held for said County, accompanying the same with a plot or draft of said road and the courses and distances and reference to the improvements through which the same passes. In which report they shall state that they have been sworn or affirmed. And also, whether they judge said road necessary for a public or private road.

the Court to appoint three persons to review
the ground proposed for said road &c.

The Court upon due consideration had
of the premises do order and appoint Joseph
Cunigh, Owen M. Roberts and Henry Scallan
to review the ground for said road, who after
having given due and legal notice by written
or printed advertisements of the time and place
of meeting, and having been duly qualified ac-
cording to law to discharge the duties of the ap-
pointment with fidelity, shall proceed to re-
view the same and if a majority of them agree
that there is occasion for such road they shall
proceed to lay out the same as agreeably to the
wishes of the petitioners as may be, having respect

to the best ground for a road and the shortest distance and in such manner as shall do the least injury to private property.

If the reviewers aforesaid shall decide in favor of locating said road, it is hereby made their duty to obtain from the persons through whose land the same may pass releases from any damages that may accrue to them from opening the same; and in every case where the owners of such land refuse releasing their claims to damages the said reviewers shall assess the damages, if any, and make report thereof signed by a majority of the reviewers present, and transmit the same together with all releases to the next Court of Quarter Sessions to be filed with the papers relating to said road.

And the said reviewers shall make report of their proceedings herein, to the next Court of Quarter Sessions to be held for said County, accompanying the same with a plot or draft of said road and the courses and distances and reference to the improvements through which the same passes. In which report they shall state that they have been sworn or affirmed. And also whether they judge said road necessary for a Public or Private road

Cambria County, Pa.

At a Court of General Quarter Sessions of the Peace held at Edensburg in and for said County on the 21st day of September A. D. 1878 before the Honorable John Dean President Judge and John Hlanagaw and John D. Thomas, Esquires Associate Judges. The petition of divers citizens of Jackson and Taylor Townships in said County was presented setting forth; That they labor under great inconvenience for want of a public road or highway, to lead from a point on the public road from Millville through to the Edensburg and Indiana pike at or near Klinsfelters School-house in Jackson Township, to a point on a public road at or near Mt. Zion Evangelical Church in Taylor Township, and praying the Court to appoint proper persons to view and lay out the same.

The Court upon due consideration had of the premises do order and appoint William Glick, Solomon Beneshoff and William Galbraith to view the ground proposed for said road, who after having been first duly sworn or affirmed according to law shall proceed to discharge the duties of their appointment, and if all of them view the same and a majority of them agree that there is occasion for such road, they shall proceed to lay out the same as agreeably to the wishes of the petitioners as may be, having respect to the best ground for a road and the shortest distance and in such manner as to do the least injury to private property. The parties interested in said road having previously given public notice by written or printed advertisements of the time and place where

said viewers shall meet for the purpose of locating said road at least ten days before such meeting;

If the viewers aforesaid shall decide in favor of locating said road it is hereby made their duty to obtain from the persons through whose lands the road may pass, releases from any damages that may arise to them in opening the same; and in every case where the owners of such lands refuse releasing their claims to damages the said viewers shall assess the damages and make a report thereof signed by a majority of the viewers present and transmit the same together with all releases to the next Court of Quarter Sessions to be filed in said office with the papers relating to said road.

And the said viewers shall make report of their proceedings herein to the next Court of Quarter Sessions to be held for said County, accompanying the same with a plot or draft of said road with reference to the improvements through which it passes in which report they shall state that they have been sworn or affirmed, and also whether they judge said road necessary for a public or private road.
