

To The Honorable the Judges of the Court of Quarter Sessions of the Peace of the County of Chester;

The Petition of the undersigned, inhabitants of the Township of Cambria in said county, respectfully represents,

That it is necessary that a bridge should be erected over Beacklick Creek in said Township, near "Bewlah" where the said Creek crosses the road from the Stone-fike to Bethel, and that the erecting of said bridge will require more expense than it is reasonable the said township of Cambria should bear. The petitioners therefore pray the Court to appoint three persons qualified according to law, to view the place proposed for said bridge, and inquire whether such bridge is necessary and would be too expensive for the said township of Cambria to bear, and make report of their proceedings at the next term of this Court.
