

To the Honorable, the Judges of the Court
of Quarter Sessions of Cambria County.

The petition of the undersigned, Respect-
fully Represents:-

That view-ers appointed by this
Court, reported on 29 March 1882 that
they had laid out and returned for pub-
lic use the following road viz: Leading
from a point on the Indiana and
Cambria County line, at or near land
of Mary Anna Boring, to intersect a
Township road, leading from St. Nich-
olas to Garman's Mill on land of
H. H. McGee in Susequanna Township
that said road, is burdensome if opened
to the citizens, through whose land
the same is laid out, and will be
expensive to the Township to open, and
pay the damages, and will be incon-
venient to the persons using the same.

The petitioners therefore showing
that they are persons interested, pray
the Court to appoint three persons
qualified, to review the ground proposed
for said road, and make report
of their proceedings at the next
term of this Court.

And they will ever pray &c
