

To the Honorable the Judges of the Court of Quarter Sessions of the Peace and for the County of Cambria.

The petition of the undersigned inhabitants of White and Redd Townships in said County respectfully represents that a Bridge was long since built across the Clearfield Creek at the place where the public highway leading from Fiske to Glasgow crosses the said Creek. That the said Creek is the dividing line between the said Townships, thereby rendering both Townships equally burdened with the expense of keeping up said bridge. That said bridge was first built by the County but now it is, by decay of the timber and by the action of the water upon the masonry, rendered unsound and unsafe for travel. That the said public Road is the Mail Route between the two places above mentioned and the said bridge a necessity, and that the expense of rebuilding said Bridge in a suitable manner would be too heavy and burdensome upon the inhabitants of said Townships. Your petitioners therefore pray your Honors to appoint proper persons to view the premises and to take such order on the subject as is required and directed by the act of the General Assembly in such case made and provided, and they will ever pray &c.
