

To The Honorable the Judges of the Court of
Quarter Sessions of Cambria County.

The petition of the
undersigned inhabitants of the Township of
Croyle in said County, Respectfully represents,
That it is necessary that a bridge should
be erected over the Conemaugh River in said
Township, where the said River crosses the public
road leading from the village of Summerhill to
the village of South Fork, and that the
erecting of said bridge will require more
expense than it is reasonable the said
Township of Croyle should bear.

The petitioners therefore pray the Court to
appoint three persons qualified according
to law, to view the place proposed for said
bridge, and inquire whether such bridge is
necessary and would be too expensive for the
said Township of Croyle to bear and make
report of their proceedings at the next term
of this Court.

And They will, &c.
