To the Honorable the Judges now Composing a  
Court of Quarter Sessions in and for the peace for the County  
of Cambria at  
Scrums 1884

We the undersigned  
Jurors do Report that in pursuance of the aforesaid Order of  
Court we caused three printed and written Notices to be posted  
in public places adjacent to the location of within mentioned  
road situated in Alleghany Township in said County in public  
places and that having met at time and place designated  
in said Notices and after all first being duly sworn  
according to law to perform the duties of our appointment  
with Fidelity we did view and mark and lay out the  
following for a Public road or high-way in Alleghany Town-  
ship N.Y. Beginning at a Post Corner of land of Peter Hall &  
Sebastian Syberts on the Township road leading from Borough of  
Loretto to Scrums now Syberts Mills thence by line of land  
of Peter Hall and Syberts and others North forty one degree  
West at two hundred and forty five perches to Point on Town-  
ship road leading from Ashland Turnoff to Loretto Springs which  
said viewed and laid out road in our Opinion is highly  
necessary to accommodate the public travel and convenience  
to the public and further in our Opinion the owners of  
adjacent to said road are not entitled to any damages  
by reason of said laid out or construction of said road  
but it being of greatest benefit and convenience to them  
see Draft &c all of which is respectfully Submitted

Commonwealth of Pennsylvania,  
County of Cambria } SS.

At a court of Quarter Sessions of the Peace of the County of Cambria  
held at Quersburg in the said County, on the seventh day of  
May A. D. 1884, before the Honorable the Judges of the same  
court: Upon the petition of divers inhabitants of the township of Allegheny  
in the said county, setting forth that they labor under inconvenience for want of a  
road or highway, to lead from  
the public road from Rorette to Sawsons Mill at a point  
on land of Peter Hall to intersect the public road lead-  
ing from Jacob Z. Nagle's to Ashland Furnace at a  
point on line between Charles Tomlinson and the  
Bayle farm

and therefore praying the court to appoint proper persons to view and lay out the  
same according to law. The Court upon due consideration had of the premises, do  
order and appoint, Henry Scudlan SURVEYOR,  
and Jacob Z. Nagle and Jacob Shaffer

VIEWERS, to view the ground proposed for said  
road, and if they view the same, and shall agree that there is occasion for such  
road, they shall proceed to lay out the same, having respect to the shortest distance  
and the best ground for a road, and in such manner as shall do the least injury to  
private property, and also be, as far as practicable, agreeable to the desire of the  
petitioners, and that they make a report of their proceedings to the next Court  
of Quarter Sessions to be held for said county, stating particularly whether they  
judge the same necessary for a public or private road, together with a plot or draft  
thereof, and the courses and distances, and references to the improvements through  
which it may pass.

BY THE COURT.

Attest:

H. A. Shoemaker  
Clerk.

NOTE.—"It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report, at the next term of said Court, and in the said report shall state particularly: first, who of them were present at the view; second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements, through which it may pass; and whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees, (except at the crossing of ravines and streams) where, by moderate filling and bridging, the declination of the road may be preserved within that limit."
