at account of General Quarter Sessions of the peace held at
Ebensburg the second day of July 1822 before the honorable John
Goring Esquire Justice of the Peace and his associates on
the petition of a number of the Citizens of Cambria Township
setting forth that they labour under great inconvenience for want of a public road
or cut way leading from the Catholic Church at Ebensburg to the farm of Job Rees
along from Ebensburg to Hart's Sleeping place at or near the farm of Job Rees
praying the Court to appoint proper persons to view and lay out the same according to
law. The Court appointed Richard Lewis Esquire James McDonald John Lloyd John Murray
James Canon & David Todd to view the grounds for said road and if they or
any five of them view the same and four of the actual viewers agree that there is
necessity for such road they shall proceed to lay out the same as agreeable to the
desires of the said petitioners as may be having respect to the best grounds for
said road and shortest distance in such a manner as to do the least injury to
private property and shall make report thereof stating particularly whether
they think the same necessary or not for a public or private road together with
a plot or draft thereof and the courses and distances to or across in words at
length and not in figures only and required to the improvements through which
it may pass to the next Court of General Quarter Sessions setting forth the names
of those who shall view the same and the said viewers have power to locate

Ebensburgh the second day of July 1822 before the honorable
John Young Esq. president of our said Court and his associates
on the petition of a number of the Citizens of the township
of Cambria setting forth that they labour under great

inconvenience for want of a private road or cart way from the old state
road at or near the north west corner of George Rogers plantation to
intersect the turnpike road near the house of James O'Hare praying
the Court to appoint proper persons to view and lay out the same
according to law. The Court appointed William Pryce Richard Lewis
Stephen Lloyd Rees Morgan Richard Tibbet & David Todd to view the
ground for the said road and if they or any five of them view
the same and four of the actual viewers agree that there is
necessity for such road they shall proceed to lay out the
same as agreeable to the desire of the said petitioners as may
be having respect to the best ground for said road and shortest
distance in such a manner as to do the least injury to private
property and shall make report thereof stating particularly
whether they think the same necessary or not together with a
plot or draft thereof and the courses and distances expressed in
words and not in figures only and reference to the improvements
through which it may pass to the next Court of General Quarter
Sessions setting forth the names of those who shall view
the same the viewers to be sworn or affirmed before they proceed to view.
