

Camden County

At a Court of Quarter Sessions of the Peace held at Elmsted
for the County of Camden on the first Monday in September
Anno Domini 1818 before the Honorable Mr. Graham Judge
-and Esq^r and George Rolant Esq^r associate Judges of said
Court On the petition of the inhabitants of said County
Setting forth that they labour under great inconvenience
for want of a public Road from the Turnpike Road
between Wadhams Bridge and Billies Cabbins to Lury
Referts^r and praying the Court to appoint six or seven
Persons to view and lay out the same according to law the
Court appoints Isaac Proctor, Sney Roberts, Christian Good, Shipley
Priestly, Samuel Reddick and Peter Livingood to view the Ground
for said Road and if they or any five of them view the same and any four
of them at a Quorum agree that there is occasion for such Road they shall
proceed after being sworn agreeably to law to lay out the same as
agreeably to the desire of the Petitioners or may be having respect
to the least Ground for a Road and the shortest distance in such
Amount as to do the least injury to private property and
shall make a Report thereof stating particularly whether they
shall make a public or private Road

with a plot or draft thereof and the Councils and determine upon
in words at length and not in figures only and reference to
Improvements, through which it may pass to the next
Court of Exchequer Sessions setting forth the names of those who
shall own the same —

An Extract from the Files & Records of Lambeth
Court testifies my hand and Seal of said
Office this 24th of Sept 1818

James Colquhoun Clerk
of Exchequer

To the Honourable the Judges of the Court of
Quarter Sessions at June term 1819

In Pursuance of the above order we the
viewers therein named have viewed the
Ground between the two points therein mentioned
and do report that we can not find good ground
for a road given under our hands the 4th
day of June 1819

of said County this 28th day of July 1817
James Magraw Clerk of
Quarter Sessions

We the undersigned being duly appointed by the Honourable
Court at Elmbridge the last June Term to view a site for a
Bridge to be erected over little Comanagh on the road leading
from Johnstown to Pittsburg. Therefore agreeably to the above
Order ^{being sworn as the Law directs} We have viewed and examined the above site as was
specified in the above petition and do give it as our decided
opinion that there is for the public utility an absolute necessity
for a Bridge over said creek a short distance below ~~where~~ the
Forge Dam on said creek at the place we have marked and
scribed to be built at the expense of the County.

Cambria County. At A Court of Quarter Sessions of the Peace held at Chambersburg
for the County of Cambria on the eighth day of September last
before Justice Shero. On the petition of several inhabitants
of the said County. Shewing forth that they believe under great
inconvenience for want of a publick Road from the Old State
Road at the place where the Road leading from the Sawmill
on Adams branch near Peter Maguire joins the said State Road
thence the nearest and best way to intersect the Campbells
Road and praying the Court to appoint proper persons to
view and lay out the same according to law. The Justices Magistrate John
Cannon Jacob Leavel John Bowman James Gallagher ^{James Gallagher} to view the ground
for the said Road And if they or any five of them view the same and four of the
said viewers agree that there is reason for such Road they shall swear
to lay out the same as agreeably to the desire of the said Petitioners or may
be having respect to the least ground for a Road and the shortest distance
in such manner as to do the least injury to private property and shall
make a report thereof stating specifically whether they judge the same necessary
for a publick or private Road together with a Plot or draft showing and
the manner and distance expressed in words at length and not in figures
and return to the Court as directed.

Cambria County. At a Court of Quarter Sessions of the peace held at Elmsted
for the County on the second day of March anno Domini eighteen
hundred and Eighty before the Honorable Judges Thurst
on the petition of a number of the inhabitants of Sumner
till township setting forth that they labour under
great inconvenience for want of a public Road from
Thomas Croyle's mill to John Phillip Lane
and praying the Court to appoint proper persons to
view and lay out the same according to law the Court appointed
Isaac Prater Samuel Hildbrand Adam Croyle Rich. Lewis Jacob Stone and David Ladd
to view the ground for the said road and if they or any five of them view
the same and four of the actual Viewers agree that there is occasion
for such Road they after being duly sworn agreeably to law proceed to
lay out the same as agreeably to the descent of said petitioners as
may be having respect to the best ground for a Road and the shortest
distance in such manner as to do the least injury to private property
- only and shall make report thereof stating particularly whether they
judge the same necessary for a public or private Road together with
a plan or draft thereof and the courses and distances expressed in words
at length and not in figures only and upon the improvement of the
Highway which it may pass to the next Court of Quarter Sessions
setting forth the names of those who shall view the same
