To the Honorable the Judges of the Court of Quarter
Session of Lancashire County,

The undersigned inhabitants of
Cousmaugh Township and adjacent districts respectfully re-
quest that a bridge is much wanted to be erected over
Cousmaugh Creek at the place where the public highway to
Cousmaugh Borough crossed said creek immediately
on the north eastern confines of said Borough in the
Township aforesaid: the ford then being frequently rendered
impassable by means of ice and high waters, and that the
probable expense of erecting and completing said bridge
will be more than what said Township could reasonably
bear. Your petitioners therefore pray your Honors to
give the premises in charge to the grand inquest
for the said County that such further order thereon
may be had as to your Honors shall seem most
agreeable to the Act of Assembly in such cases made

The undersigned respectfully represent
that a road has been viewed from Behis Mill

Humphreys ~~viewed by the latter~~ thence to the public Road the way from
Emsbury to Behis Mill at a point on the land of Henry Gledhill at
or near which the Road leading from Emsbury Mill is intersected and viewed
that said Road is unnecessary & highly
injurious to the farm owned by the heirs
of Rowland Humphreys dead. That two
township Roads have been opened already
through said farm running near each
other that applicants for said road
have already a road which is sufficiently
convenient & fit for travelling land out
& opened at public expense they therefore
beg leave to remonstrate against the
opening of the road as prayed for.
