before the Judges of the same Court
upon petition of said inhabitants of Alameda
County, setting forth; That at July
Sessions last past, a petition was presented to
your honorable Court, setting forth, that a road has
long since been laid out, from the corner of the lands
of Montgomery Douglass, on the road, leading from
Smith to Philipsburg, or near the house of
Edward Hughes, which road your petitioners claim
is now become useless, in consequence of the
road being the Court to appoint proper persons to
vacate and supply the road as of use and value,
and your petitioners lay out the same according to law,
that upon said petition your honor appointed
jurors, who, after view, to wit, at September Sessions
last past, reported that no person or persons of the order
issued to them, they viewed the ground as shown by
the petitioners, and vacated the part set forth in
the said order of Court, and supplied the same
and laid out for public use the following road
a highway, to wit: Beginning at a point in the
road leading from Smith to Philipsburg 27 ft
from the corner of lands of Montgomery Douglass,
thence North by degrees West, one hundred and thirty
feet, in the road, leading from the Church Street
