No. 3 June Session 1919.

REPORT OF VIEWERS

To the Honorable Judges of the above mentioned court; we the undersigned Viewers appointed by the order of the above court to view the bridge of Elk Run on the Edwards Hill Road, respectfully report:

That we were duly sworn or affirmed as members of the permanent Board of Viewers as shown by the records of the court; that due public notice of the time and place of meeting of the Viewers was given by publication in the Johnstown Tribune at least ten days prior to the time of making the said view; that we met upon the premises according to the notices given on the 25d day of June A. D. 1919 at 10 o'clock A. M. and proceeded with the duties of our appointment; that after viewing the premises we are of the opinion that the existing bridge is in a very dangerous condition and a bridge is a necessity and that the prayer of the petition should be granted.

KNOW ALL MEN BY THESE PRESENTS, That we, Jas. A. Felix, J. J. Griffith and T. Malbranc of the Township of Lower Yoder in the County of Cambria and State of Pennsylvania, hereinafter called the Obligors, are held and firmly bound unto the County of Cambria, hereinafter called the Obligee, in the sum of Two Hundred Dollars lawful money of the United States of America, to be paid to said Obligee, its certain Attorney, successors or assigns, to which payment well and truly to be made, we do bind ourselves, our heirs, executors or administrators, jointly, severally and firmly by these presents. Sealed with our seals the 9 th day of June, 1919.

Whereas, certain inhabitants of the Township of Lower Yoder in the County of Cambria, have presented to the Court of Quarter Sessions in and for the County aforesaid, their petition praying for the appointment of viewers to view and report on the necessity for a new bridge to take the place of the existing bridge over Elk Run, at the place where the "Edwards Hill" township road to Johnstown crosses the said run in said Lower Yoder Township, said place being distant about 1,500. feet in a Southerly direction from the intersection of said "Edwards Hill" road with the line of the City of Johnstown and about 50 feet in a Southerly direction from the intersection of said "Edwards Hill" road with the public road leading to Estherville in said Township.

Now, THEREFORE THE CONDITION OF THIS OBLIGATION IS SUCH that if the above mentioned inhabitants of Lower Yoder Township, their heirs, executors or administrators, or any of them shall and do well, truly and promptly pay into the Treasury of the said Obligee, when said proceedings are concluded, such amount of money as the said Court may hereafter by order lawfully direct the Petitioners aforesaid to pay, for, toward or on account of defraying and discharging the pay or compensation and mileage of said viewers and other parties, appointed or employed in said proceedings, as required by the Act of the General Assembly of Pennsylvania, in such case made and provided, without any fraud or further delay, then the above obligation to be void, or else to be and remain in full force and virtue.

To the Honorable the Judges of the above-named Court:-

The petition of the undersigned, inhabitants of the Township of Lower Yoder in the said County of Cambria, respectfully represents:-

That it has become necessary to erect a new bridge to take the place of the existing bridge over Elk Run, at the place where the "Edwards Hill" township road to Johnstown crosses the said run in sald Lower Yoder Township, said place being distant about 1,500. feet in a Southerly direction from the intersection of said "Edwards Hill" road with the line of the City of Johnstown and about 50 feet in a Southerly direction from the intersection of said "Edwards Hill" road with the public road leading to Estherville in said Township.

That the existing bridge heretofore erected at that location has become insufficient to properly accommodate the greatly increasing public travel at that location; and

That the erection of such bridge would be too expensive for such Township to bear and a great burden upon the inhabitants thereof.

Your petitioners therefore pray the Court to appoint proper persons, qualified according to law, to view the place for said bridge and inquire whether such bridge is necessary and too expensive for such Township to bear as aforesaid, and make report of their proceedings to the Court.

And they will ever pray, etc.

NOTE. "It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the person or persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report at the next term of said Court, and in the said report shall state particularly: First, who of them were present at the view, second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements through which it may pass; and, whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees (except at the crossing of ravines and streams), where, by moderate filling and bridging, the declination of the road may be preserved within that limit."
