the Court of Quarter Sessions for the County of
Camden.

We, the Undersigned Viewers appointed by the Court
of Quarter Sessions of Camden County to assess damages
and award Contributions by reason of opening and
fixing the width of Brown Alley in the Fourth Ward
of the Borough of Johnstown in pursuance of the
Annexed Order of said Court do report that after having
given due notice of the time and place of our meeting,
A copy of which said notice is hereto annexed and
made part of this report; and after being duly sworn
and affirmed according to law to perform our duties
under the Act of the General Assembly to incorporate
Boroughs, and its supplements with impartiality and
fidelity did proceed to view the premises described
in said order of Court; and found that the opening
and fixing of the width of said Alley did not take
any part or portion of any of the lots of ground or
properties along and adjoining the boundary lines
of said Alley; and we further report that none
of the lots of ground or properties along and adjoining
the boundary lines of said Alley are damaged by
reason of opening and fixing the width of said
Alley, and, therefore, assess no damages for disadvantages.
And the said Viewers further report that none of the
lots of ground or properties along and adjoining the
boundary lines of said Alley are benefited over and
above the disadvantages by reason of opening and
fixing the width of said Alley, and, therefore, neither
award nor assess Contributions for advantages.

1 All of which said lots of ground along and adjoining
the boundary lines of said alley are more particularly
designated on a plat of said alley which is herewith
3 attached and made part of this report.
