To the Honorable Amos L. Swanton
President Judge of the Court of
Quarter Sessions for Cambria
County -

Your petitioners respectfully
represent that they are citizens of
East Taylor and Jackson townships
in said County. That at March Term
of Court jurors were appointed to
view and lay out a public road
to begin at Blackburn's Mill in the
township road in Jackson Township and
to extend to a point about one-half mile
below the Wesley Chapel, on the public
road leading from Wesley Chapel to
Rendall, in East Taylor Township.

That the said jurors have re-
ported in favor of said road.

Your petitioners respectfully object
and remonstrate against the opening
of said road for the following reasons:
First: That it will cost the townships
entirely too much money to open it
and to keep up the road for the benefit
desired.

Second: That the said road will really
benefit two or three persons.

Third: That one of the parties who will be
benefited by the said road was the leading
person in getting the petition and having
it signed and was one of the jurors.

Smith, that the said road is not ne-
cessary.

And your petitioners will ever pray to
