

To the Honorable, the Judges of the Court  
of Quarter Sessions of Columbia County.

The petition of the undersigned, inhab-  
itants of Clearfield Township in said County,  
respectfully represents:

That a road has lately been laid out  
for public use, and confirmed absolutely by  
the Court, to lead from the Bridge on West  
Creek below Henry Eckrodt's mill to the road  
leading from West Springs to Glenconnell at a  
point on the line between Simon P. Noel and  
Connor Riley, in Clearfield Township. That  
a former application for a road over the  
same ground was refused by the Court  
on 13<sup>th</sup> November, 1883, and that within one year  
from that time, or on 3<sup>rd</sup> September, 1884, a  
new application was made for a road over  
the same ground, which has been granted  
by the Court, and work is now being under-  
taken to open out said road.

Your petitioners further represent that  
said road is useless, inconvenient, and  
burdensome to the inhabitants of said  
Township.

They therefore pray your Honors to appoint  
suitable persons viewers to view and vacate  
said road, and also to make an order  
suspending the further opening of said  
road until the viewers now to be

Peter Delozier

appointed shall have filed their report,  
and proceedings thereon have been determined.  
And they will, etc.

To the Honourable J. L. Johnston, President Judge of the Court  
of Quarter Sessions of Cambria County, Lewis:

The petition of the undersigned, citizens of Clearfield  
Township and vicinity, in Cambria County, respectfully  
represents:

That a road has been lately laid out by order of  
Court from the Township road at or near the bridge  
over Chest Creek below Eckeroeder's Mill to the Glen Cornell  
and Chest Springs Road at or near James Stillep on said  
road, in Clearfield Township.

That said road, if confirmed by the Court, will  
be very injurious to your petitioners, and burdensome  
to the inhabitants of the township through which the same  
will pass.

Your petitioners therefore pray your Honor to appoint  
proper persons to review the said road and parts  
adjacent, and make report to the next Court.  
And they will ever pray, etc.
