

To The Honorable the Judge of The
 Court of Quarter Sessions of the Peace
 for Cambria County
 We the Viewers, appointed by Your
 Honor in the annexed Order of Court
 to view site for a bridge over the
 Susquehanna River where the public
 road leading from Nicktown to
 Cherry Tree crosses said River -
 Do Report: That we met at the
 place designated and having been
 sworn - Viewed the place for bridge
 and believing a bridge a public
 necessity at this point - Recommend
 the building of one by the County
 as the expense of a suitable one
 would be too burdensome on the
 inhabitants of said township

Commonwealth of Pennsylvania,
County of Cambria } ss.

At a Court of Quarter Sessions of the Peace of the County of Cambria
held at Clearburg in the the said County, on the 30th day of
October A. D. 1893, before the Honorable the Judges of the same
Court: Upon the petition of divers inhabitants of the township of San Auguchama
in the said County, setting forth that they labor under inconvenience for want of

~~road or highway, to lead from~~
a Bridge over the Auguchama River at the place
where the public highway leading from Kittston to
the Cherry tree crosses the said Auguchama River in
the Township aforesaid, and that the expense of erecting
said Bridge would be too burdensome upon the
inhabitants of said Township

and therefore praying the Court to appoint proper persons to ^{inspect} view and ~~lay out~~ the
same according to law. The Court upon due consideration had of the premises, do
order and appoint J. A. Shoemaker SURVEYOR,
and Alexander

^{Bridge} VIEWERS, to view the ^{site} ground proposed for said
^{Bridge} road, and if they view the same, and shall agree that there is occasion for such
^{Bridge} road, they shall proceed to lay out the same, having respect to the shortest distance
and the best ground for a ^{Bridge} road, and in such manner as shall do the least injury to
private property, and also be, as far as practicable, agreeable to the desire of the
petitioners, and that they make a report of their proceedings to the next Court
of Quarter Sessions to be held for said County, ~~stating particularly whether they~~
~~judge the same necessary for a public or private road, together with a plot or draft~~
thereof, and the courses and distances, and references to the improvements through
which it may pass.

BY THE COURT.

Attest:

J. B. Harney,
Clerk.

NOTE.—It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report, at the next term of said Court, and in the said report shall state particularly: first, who of them were present at the view; second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements through which it may pass; and, whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees (except at the crossing of ravines and streams), where, by moderate filling and bridging, the declination of the road may be preserved within that limit."
