To The Honorable the Judge of the  
 Court of Quarter Sessions of the peace  
 in and for the County of Cambria  
 The Petition of Divers Citizens inhabitants  
 of Clearfield Twp and Patton Borough  
 in the said County respectfully sheweth  
 that your petitioners labour under great  
 inconvenience for want of a road or  
 highway to lead from a point at or near  
 County Bridge in the Borough of Patton  
 to a point at or near Litzinger's Bridge  
 leading to Eckinrodes Mills in Clearfield  
 Twp. Cambria Co. Pa. Your petitioners therefore  
 humbly pray the Court to appoint proper  
 persons to view and lay out the same  
 according to law and they will pray, &

Commonwealth of Pennsylvania, }  
County of Cambria, } ss.

At a Court of Quarter Sessions of the Peace of the County of Cambria held at Ebensburg in the said County, on the ninth day of September A. D. 1895, before the Honorable Judge of the said Court: Upon the petition of divers inhabitants of the township of Clearfield in the said County, setting forth that they labor under inconvenience for want of a road or highway, to lead from a point at or near Lemmy Bridge in the Borough of Patton to a point at or near Fitzingers Bridge leading to Eckman's mill in Clearfield Township Cambria Co. Pa.

and therefore praying the Court to appoint proper persons to view and lay out the same according to law. The Court upon due consideration had of the premises, do order and appoint J. G. Elder SURVEYOR, and John Bender and Martin Thomas

VIEWERS, to view the ground proposed for said road, and if they view the same, and shall agree that there is occasion for such road, they shall proceed to lay out the same, having respect to the shortest distance and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners, and that they make a report of their proceedings to the next Court of Quarter Sessions to be held for said County, stating particularly whether they judge the same necessary for a public or private road, together with a plot or draft thereof, and the courses and distances, and references to the improvements through which it may pass.

BY THE COURT.

ATTEST:

Jan. B. Dwyer  
Clerk.

NOTE.—"It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report, at the next term of said Court, and in the said report shall state particularly: first, who of them were present at the view; second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements through which it may pass; and, whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees (except at the crossing of ravines and streams), where, by moderate filling and bridging, the declination of the road may be preserved within that limit."
