

To the Honorable A. V. Barker, President
Judge of the Quarter Sessions of Cambria
County.

We, The undersigned Viewers appointed by
the annexed order do report: That in
pursuance thereof after having been severally
duly affirmed all of the viewers appointed
by said order viewed the ground proposed
for the within mentioned road, and the
undersigned all of the said viewers, do agree
that there is occasion for a road as desired
by the petitioners, and that the same is neces-
sary for a public road:

And having had respect to the shortest dis-
tance and the best ground for such road;
we have laid out in such a manner as
shall do the least injury to private property,
and as far as practicable agreeably to the
desire of the petitioners, and do return
for public use, the following described road
to wit:

Beginning at a point where the Dunto
road comes upon the road leading from
Salix to Lovett, on land of Samuel J. Miller
at or near Lovett station, in Adams Township,
Thence through improved land of Samuel J. Miller

Said road being at an elevation not exceeding five degrees. The undersigned further report that they endeavored to procure from all the owners of the land over which said road passes, releases in writing of all claims to damages that may arise from opening the same. and that they procured such releases from John Rorabaugh and Geo. W. Dibert, and failed to procure releases from Samuel J. Miller and The South Fork Hunting and Fishing Club. and there—

fore having taken into consideration the
advantage to be derived to the said Samuel J. Miller
and The South Fork Hunting and Fishing
Club we believe that the same would be
greater than the injury done to their properties
and therefore award them no damages for
and on account of said road passing
through their lands. We further report that
before the said view public notice of the
time and place of meeting of the viewers
was given by advertisements put up at the
most public places in the vicinity as required
by law ten days before said meeting
and we annex a plot or draft of said
road laid out stating the courses and
distances and noticing briefly the improve-
ments through which the same passes
and herewith return the releases obtained.

Dear Sir

As per your request
I return the paper you sent me in reference
to a proposed road through the grounds for-
merly belonging to S. Fork Club. While I do
not feel inclined to stand in the way of
any desirable improvement, yet my knowledge
of the premises is so limited that I feel that
as Trustee for the interests of others it may not
be wise for me to sign the paper. Were I
more familiar with the route and its probable
effect upon the value of the property I could
make up my mind definitely.
