the undersigned persons appointed by the Court to review the road therein mentioned, respectfully report: That having been present at the review of the said road, and having all been first duly sworn in pursuance of the said order, we have reviewed the same, a draft whereof is hereto attached. After due inquiry, and examination of the premises, ^{we find} that the expense of opening the said road for public travel, would be greater than the Townships of Elder and Susquehanna could reasonably bear; and further, that there seems to be but very little need for such a road; and therefore we are of opinion that the same is not necessary for a public road.

EVANS & LEECH,
ATTORNEYS AT LAW,

HENRY HALL, PRINTER, INDIANA, PA.

To The Honorable A. B. Barker Judge of the
Court of Quarter Session

The petition of the undersigned respectfully represents that a public road has recently been laid out and a return made to Court from a point at or near the public road from St. Boniface passing by Joseph Santzy in Elder Township to a point at or near John L. Millman in Desquena Township. The undersigned Supervisor of

Elder Township to wit. George Simeltzberger and Henry Zahner and Citizens of said townships respectfully remonstrate against the confirmation of the said road. For the reasons set forth

(1st) first, That there is no necessity for said road for the accommodation of the public or the citizens of either Elder or Desquena townships, That the application made by a citizen of Desquena township is only for his own use as there are no other parties along the said proposed road that would be benefited or reside along the line of the proposed road.

(2^d) That the proposed road would compel Elder township to make and keep up 6000 yards almost 3 miles at an expense to the township of Elder of not less than \$1500 for opening same. The proposed road runs through a swamp that no person would travel on any business, for the reason that there are two other public roads leading from Joseph Santzy to the public road in

Dusquehanna township at or near John
to Hillmans in Dusquehanna township

(3^d) That the proposed road is not necessary
for the Citizens of Eldar township nor for
the use of the public, and therefore
We respectfully the Supervisors and Citizens
whose names hereto attached demonstrate
against the confirmation of said road.
And further, If the Court thinks proper, to
order a review of the said proposed road
and we will ever pray &c.
