Not Misapplied

To the Honorable A. V. Barber, President Judge of the Court
of Quarter Sessions of Columbia County.

The petition of the undersigned, inhabitants of the
~~Borough of Boreas~~ Township of Squechauna,
in the said County, respectfully sheweth: That
your petitioners labor under great inconvenience
for want of a public road or highway to begin
at a point at or near the residence of James Boggan,
near the end of North 15th Street in Slaughter Borough
and ending at a point on Maple Street near the
residence of Frank Byrne in Squechauna
Township.

Your petitioners therefore pray the Court to
appoint proper persons to view and lay out the same,
according to law; and they will ever pray, &c.

Commonwealth of Pennsylvania, }
County of Cambria, } ss.

At a Court of Quarter Sessions of the Peace of the County of Cambria held at Ebensburg in the said County, on the seventh day of June A. D. 1897, before the Honorable Judge of the said Court: Upon the petition of divers inhabitants of the township of Susquehanna in the said County, setting forth that they labor under inconvenience for want of a public road or highway, to ~~lead from~~ begin at a point at or near the residence of James Boffman near the end of North 15th Street in Spangler Borough and ending at a point on Maple Street near the residence of Frank Byrne in Susquehanna Township

and therefore praying the Court to appoint proper persons to view and lay out the same according to law. The Court upon due consideration had of the premises, do order and appoint J. L. Elder SURVEYOR and R. R. Davis and John J. Evans (James)

VIEWERS, to view the ground proposed for said road, and if they view the same, and shall agree that there is occasion for such road, they shall proceed to lay out the same, having respect to the shortest distance and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners, and that they make a report of their proceedings to the next Court of Quarter Sessions to be held for said County, stating particularly whether they judge the same necessary for a public or private road, together with a plot or draft thereof, and the courses and distances, and references to the improvements through which it may pass.

BY THE COURT.

ATTEST:

A. W. Davis

Clerk.

NOTE.—It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth.

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report, at the next term of said Court, and in the said report shall state particularly: first, who of them were present at the view; second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements through which it may pass; and, whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees (except at the crossing of ravines and streams, where, by moderate filling and bridging, the declination of the road may be preserved within that limit."
