IN THE COURT OF QUARTER SESSIONS OF CAMBERIA COUNTY.

To the Hon. A. V. Barker, Judge of said Court:-

The petition of the Valley Pike Company respectfully represents that the said Company has heretofore been duly incorporated under the laws of the Commonwealth of Pennsylvania, that its roadway has been completed, sometime previous to the date of this petition, its entire length, beginning at its intersection with the Johnstown and Benscreek Turnpike, in the Eighth Ward of the City of Johnstown, and ending at the Johnstown and Somerset Plank Road, in Upper Yoder Township.

Your petitioner, therefore, respectfully prays the Court to appoint three skillful, judicious and disinterested persons, under Sec. 30 of the Act of April 29, 1874, entitled, "An Act to Provide for the Incorporation and Regulation of Certain Corporations," approved 29 April, 1874, to view and examine the same and report on oath or affirmation whether said road is so far executed in a competent and workmanlike manner, according to the true intent and meaning of the Act of Assembly. And if their report be in the affirmative, it is further prayed that the Court will order and permit, under seal of said Court, the said Corporation to erect and fix such and so many gates upon and across said road as will be necessary and sufficient to collect from all persons, otherwise than those on foot, the tolls authorized by the Act of Assembly.

And as in duty bound your petitioner will forever pray.

The Valley Pike Company by its President and Secretary, under its official seal.
