Petition to vacate and supply Road
 To the Honorable Judge of the quarter
 Session Court of Cambridge County
 The Petitioners of the Subscribers Respectfully
 Represents that a Road was formerly laid
 out by order of the Court from it or near
 the Red Mill formerly John B Duncans
 Mill to the Clay Pike leading to the Clay
 Pike in said County the petitioners represent
 that part of the Road is dangerous and hard
 to keep in repair on account of a steep grade
 the applicants desire the part from the bridge
 at the Red Mill to a point on the old
 Road at the corner of the Line of Samuel George
 and W. H. Folchmer in Blacklick Township
 To be vacated and supplieed which your
 Road your Petitioners conceive has become
 Inconvenient and burdensome your petitioners
 therefore pray the Court that the same
 Road may be vacated and supplieed by
 a more convenient one
 made the 6th of Aug 1899.

Petition of the Citizens
of Blacklick Township
Cambridge Co. to vacate
and supply part of
the public road leading
from the Red Mill to
the Gray Pike in said
Township.

And now 5 June 1899
J. Edward Elder &
Ellsworth Rowland
Harris, George
are appointed viewers
under the within petition
and to view said Road
and make report of their
proceedings to the
next Term of this Court.
By the Court.

Dated 5 June 1899

Reed & Reade.

To the Honorable A. V. Barker President Judge of the Court
of Quarter Sessions of Cambria County Pennsylvania.

We the undersigned Viewers appointed by the annexed
order respectfully report that after giving notice as
required by law and J. Leard Elder Ellsworth
Rowland and Harry George having been present at
the view of the ground proposed for such road
to be vacated and supplied and having been sworn
sworn or affirmed to perform our duties according to law.
We in pursuance of said order have viewed the ground
described in said order and believing that portion of
the said road from near the bridge at the Duncan
Red Mill to a point on the old road at the corner of the
line of Samuel George and A. H. Froelicher in Blacklick
Township has become inconvenient and burdensome
by reason of the hilly condition of the same the road
being 18 feet to the 100 feet on part of the road which
greatly exceeds five degrees in Elevation and
ought therefore to be vacated and have viewed and
vacated the same as follows Beginning in Public
road near said bridge thence North Eighty six
and one half degrees East three hundred feet thence
South forty six and one half degrees East seventy two feet
thence South twenty degrees East four hundred and eight
feet thence South fifty two degrees East one hundred and twenty
eight feet thence North seventy five degrees East three
hundred and fifty seven feet thence North Eighty
five and one half degrees East two hundred and sixty feet
thence South fifty seven and one half degrees East three
hundred and forty nine and one half feet thence South
fifty eight and one half degrees East Eight hundred and

twenty four feet corner of the line of Samuel George
and A. H. Folckner and have surveyed viewed and laid
out and do return for public use the following road
to wit Beginning in Public road near said bridge
thence south forty one and one half degrees one hundred
and twenty nine feet thence South eighty one and three
fourths degrees East ninety one feet thence North fifty
nine and one half degrees East one hundred and fifty
two feet thence North forty one degrees East ninety one
feet thence North fifty two degrees East one hundred feet
thence North forty two and three fourths degrees East one hundred
feet thence North forty one and one half degrees East one hund-
red feet thence North sixty one and one half degrees East one hundred
feet thence North eighty four and three fourths degrees East
ninety nine feet thence South twenty four and one fourth
degrees East ninety eight feet thence North sixty one and
one half degrees East one hundred and ninety feet thence
South sixty four degrees East three hundred and seventy
seven feet thence South eighty six degrees East five hundred
and fifty six feet thence South forty five and one half
degrees East two hundred and twenty two feet thence South
thirty five and one half degrees East three hundred and
thirty three feet thence South three and one half degrees East
four hundred and forty eight feet thence South eleven and
one half degrees East four hundred and eleven feet to
the corner of the line of Samuel George and A. H. Folckner
the road passes through lands belonging to C. F. Duncan
William George A. H. Folckner & Samuel George no
damages claimed said road as aforesaid laid out
we are of the opinion is necessary for a public road
and recommend the same a plot or draft thereof

is herewith enclosed that notice of the time and place of view was duly given to the Commissioners of Cambria County as is evidenced by an accepted notice annexed to this report and a like notice was duly given to the Supervisors of Blacklick Township as appears by a copy of said notice attached to this report with a memorandum of the service endorsed thereon witness our hand this 2nd day of September 1899

COMMONWEALTH OF PENNSYLVANIA. }
COUNTY OF CAMBRIA. } SS:

At a Court of Quarter Sessions of the Peace of the County of Cambria held at Ebensburg in the said County, on the fifth day of June A. D. 1899, before the Honorable Judge of the said Court: Upon the petition of divers inhabitants of the Township of Blacklick, in the said County, setting forth that ~~they labor under inconvenience for want of a~~ road or highway, to lead from a road was formerly laid out by order of the Court from at or near the Red Mill formerly John H. Muscard Mill to the Clay Pike leading to the Clay Pike in said County the petitioners represent that part of the road is dangerous and hard to keep in repair on account of a steep grade the applicants desire the part from the bridge at the Red Mill to a point on the old Road at the corner of the line of Samuel George and Asa Folckner in Blacklick Township to be vacated and supplied which road your Petitioners conceive has become inconvenient and burdensome your petitioners therefore pray the Court that the same road may be vacated and supplied by a more convenient one.

~~and therefore praying the Court to appoint proper persons to view and lay out the same according to law.~~ The Court upon due consideration had of the premises, do order and appoint

J. Laird Elder SURVEYOR, and Edworth Rowland and Harry George

VIEWERS, to — view the ground proposed for said road, and if they — view the same, and shall agree that there is occasion for such road; they shall proceed to lay out the same, having respect to the shortest distance and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desires of the petitioners, and that they make a report of their proceedings to the next Court of Quarter Sessions to be held for said County, stating particularly whether they judge the same necessary for a public or private road, together with a plot or draft thereof, and the courses and distances, and references to the improvements through which it may pass.

BY THE COURT.

ATTEST:

S. W. Davis Clerk.

NOTE. — "It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the person or persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report, at the next term of said Court, and in the said report shall state particularly: first, who of them were present at the view; second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements through which it may pass; and, whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees (except at the crossing of ravines and streams,) where, by moderate filling and bridging, the declination of the road may be preserved within that limit."
