To the Honorable A. V. Barker,
President Judge of the Court of
Quarter Sessions of Cambria County:-

The Petition of the undersigned respectfully represents:

That they labor under inconvenience for want of a public road to begin at a bridge which crosses the South Fork Creek at or near the tippie at the Lloydell mines in the Township of Summerhill, and to end at a point where two roads intersect with a public road leading to the Frankstown road in said Township of Summerhill.

The petitioners therefore pray the Court to appoint three persons, qualified according to law, to view the ground proposed for such road, and, if they see occasion, lay out the same and make report of their proceedings to the next Term of this Court.

And they will ever pray, etc.

Evans & Leach

To the Honorable A. V. Barker President Judge of the Court
of Quarter Sessions of Cambria County Pa. We the undersigned
viewers appointed by the annexed order do report. That
in pursuance thereof, after having been severally duly
sworn or affirmed to perform our duties impartially
and to the best of our judgment, and having given due
public notice as required by law, and having served
copies of said notice upon the supervisors of the
territory through which such new public road is laid
out, and also upon the County Commissioners of said
County, properly attested copies of said notice
being hereto attached, all the viewers appointed by
said order viewed the ground proposed for the within
mentioned road: and the undersigned do agree
that there is occasion for a road, as desired by
the petitioners, and that the same is necessary for a
public road. And having due respect to the shortest
distance and the best ground for such road, we have
laid it out in such manner as shall do the least
injury to private property, and, so far as practicable
agreeably to the desire of the petitioners, and do return
for public use the following described road to-wit:
beginning at a bridge which crosses the South Fork
at or near the tipple at the Lloydell mines in the Township
of Quannock Hill thence South fifty four East two hundred and

Removal of Notice of view accepted for the County Combs
Nov. 21, 1900
Jas B. Wells
Clerk

COMMONWEALTH OF PENNSYLVANIA. } SS:
COUNTY OF CAMBRIA,

At a Court of Quarter Sessions of the Peace of the County of Cambria held at Ebensburg in the said County, on the 22nd day of Oct A. D. 1900, before the Honorable Judge of the said Court: Upon the petition of divers inhabitants of the Township of Summerhill, in the said County, setting forth that they labor under inconvenience for want of a public road or highway, to lead from a bridge which crosses the South Fork Creek at or near the tipple at the Floydell mines in the Township of Summerhill, and to end at a point where two roads intersect with a public road leading to the Frankstown road in said Township of Summerhill

and therefore praying the Court to appoint proper persons to — view and lay out the same according to law. The Court upon due consideration had of the premises, do order and appoint

Said Elder SURVEYOR, and John Wright and Lincoln Roberts

VIEWERS, to —view the ground proposed for said road, and if they —view the same, and shall agree that there is occasion for such road, they shall proceed to lay out the same, having respect to the shortest distance and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desires of the petitioners, and that they make a report of their proceedings to the next Court of Quarter Sessions to be held for said County, stating particularly whether they judge the same necessary for a public or private road, together with a plot or draft thereof, and the courses and distances, and references to the improvements through which it may pass.

BY THE COURT.

ATTEST:

P. W. Davis, Clerk.

NOTE. — "It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the person or persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report, at the next term of said Court, and in the said report shall state particularly: first, who of them were present at the view; second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road: they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements through which it may pass; and, whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees (except at the crossing of ravines and streams,) where, by moderate filling and bridging, the declination of the road may be preserved within that limit."

No. 8, Sept. Session, 1900.
