Quarter Sessions to be held for said County, stating particularly whether they judge the same necessary for a public or private road, together with a plot or draft thereof, and the courses and distances, and references to the improvements through which it may pass.

NOTE. "It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the person or persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

TO THE HONORABLE A. V. BARKER, PRESIDENT JUDGE OF THE COURT
OF QUARTER SESSIONS OF CAMBRIA COUNTY.

The Petition of the Undersigned, citizens and inhabitants
of the Township of Clearfield, in the County aforesaid, respect-
fully represents:

That they labor under great inconvenience for want of a
public road to beginning at a point in a public road which leads
from the Trexler School to the Borough of Ashville (See No. _____,
_____ Term, _____, Road Docket Vol. _____, page _____)
near Henry Conrads Barn, and ending at a point on the said road
near the Mill Property Lane,
in said Township of Clearfield.

The road as laid out now between these two points re-
quires the construction of two bridges; whereas the same purpose
can be better supplied by a road which will require but one.

The petitioners, therefore, pray the Court to appoint
three persons, qualified according to law to view the ground
proposed for said road, and if they so occasion to lay out the
same, to inquire of and vacate the public road now open between the
two points above described on the said road, in the said Township
of Clearfield, which last mentioned portion of the old road will,
by reason of the laying out of the proposed road, become useless;
and make report of their proceedings to the next Court.

And they will ever pray.
