

TO THE HONORABLE FRANCIS J. O'CONNOR, PRESIDENT JUDGE OF THE
COURT OF QUARTER SESSIONS OF CAMBRIA COUNTY.

The petition of the undersigned, inhabitants of Dean Town-
ship, said County, respectfully represent:

That they labor under great inconvenience for want of a
public road or high way, beginning at a point in public road leading
from Condron to Altoona about three fourths of a mile East of
residence of H. M. Domer, in said Township and to end at a point
in a public road leading from Altoona to Clearfield ten rods West
of residence of Wm. Hildebrand, in said Township.

The petitioners therefore pray the court to appoint three
persons qualified according to law to view the ground proposed for
such road, and, if they see occasion, lay out the same and make
report of their proceedings according to law.

And they will ever pray, etc.

To the Honorable Francis J. Connor
President Judge of the Court of
Quarter Sessions of Cambria County Pa
We the undersigned viewers appointed by
the annexed Order do report: That, in
pursuance thereof, after having been severally
duly sworn or affirmed to perform our duties
impartially and to the best of our judgment
and having given due public notice, as
required by law, and having served copies
of said notice upon the Supervisors of the
territory through which such new public road
is laid out, and also upon the County Commission-
ers of said County, properly attested copies of said notice
being hereto attached, all the viewers appointed
by said order viewed the ground proposed
for the within mentioned road; and the undersigned
do agree that there is occasion for a road
as desired by the petitioners, and that the
same is necessary for a public road
and having due respect to the shortest
distance and the best ground for such
road we have laid it out in such
manner as shall do the least injury
to private property, and, so far as practicable,
agreeably to the desire of the petitioners, and
do return for public use the following
described road to-wit Beginning at a
point in public road leading from Condron

to Altona about three fourth of a mile East
of residence of H. M. Domes thence North fifty six
degrees East twenty nine feet thence North
forty four and one half degrees East three hundred
and thirty three feet thence North fifty two degrees
East one hundred and fifty two feet thence
North fifty one degrees East two hundred feet thence
North fifty eight degrees East two hundred and

Commonwealth of Pennsylvania, }
County of Cambria. } ss.

At a Court of Quarter Sessions of the Peace of the County of Cambria held at Ebensburg in the said County, on the Tenth day of June A. D. 1903, before the Honorable Judge of the said Court: Upon the petition of divers inhabitants of the Township of Dean, in the said County, setting forth that they labor under inconvenience for want of a public road or highway, to lead from a point in public road leading from Condron to Altoona about three fourths of a mile East of residence of H. M. Domer, in said Township and to end at a point in a public road leading from Altoona to Clearfield ten rods West of residence of Wm. Hildebrand, in said Township

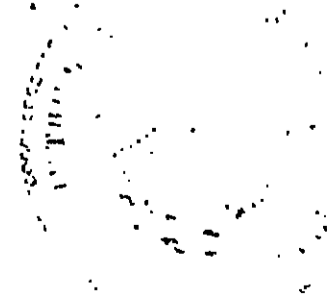

and therefore praying the Court to appoint proper persons to view and lay out the same according to law. The Court upon due consideration had of the premises, do order and appoint

J. L. Elder SURVEYOR, and
John Kopp and Dyle McMullen

VIEWERS, to view the ground proposed for said road, and if they view the same, and shall agree that there is occasion for such road, they shall proceed to lay out the same, having respect to the shortest distance and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desires of the petitioners, and that they make a report of their proceedings to the next Court of Quarter Sessions to be held for said County, stating particularly whether they judge the same necessary for a public or private road, together with a plot or draft thereof, and the courses and distances, and references to the improvements through which it may pass.

By the Court.

Attest:

B. G. Lyell, Clerk.

NOTE. "It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the person or persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report, at the next term of said Court, and in the said report shall state particularly: first, who of them were present at the view; second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements through which it may pass; and, whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees (except at the crossing of ravines and streams), where, by moderate filling and bridging, the declination of the road may be preserved within that limit."
