Clerk,

To the Honorable Francis J. O'Connor, Judge of the Court of Quarter Sessions of Cambria County.

The petition of the undersigned citizens of Susquehanna Township Cambria County, respectfully represents:

That a public road was long since laid out and opened, leading from the Salt Well School House to the village of Plattville, and usually known as the Salt Well road; that a part of said road in the Township of Susquehanna, in said County, beginning at a culvert near the end of a long curve south west of the Pleasant Hill Church, on land of Jacob Johnston heirs, and ending at a public road in the village of Plattville at the store of G.W. and H.J. Lloyd, has become inconvenient and burdensome, and the road would be much improved by a change of its route between said points. That if a portion of said road were vacated another road could be supplied at a better grade, on better ground, less exposed drifts in winter, a much shorter route, and more convenient to your petitioners.

Your petitioners therefore pray the court to appoint qualified persons to view the premises and to inquire into the expediency of making such change, and otherwise proceed as directed by the Act of Assembly in such cases made and provided.

And they will ever pray, &c.

Cambria County, SS:

Personally appeared before me, a Justice of the Peace in and for said county, A.N. Lloyd, one of the petitioners in the foregoing petition, who being duly sworn according to law, doth depose and say that the facts as set forth in the foregoing petition are correct and true, and that the names of the persons signing said petition signed the same in their own proper handwriting in his presence.
