To the Honorable Francis J. O'Connor, Judge of the Court of  
Quarter Sessions of Cambria County.

The petition of the undersigned, inhabitants of the Township  
of Carroll, in Cambria County, respectfully sheweth: That your  
petitioners labor under great inconvenience for want of a public  
road or highway, in the Township of Carroll to begin at Patton Bor-  
ough line at the terminis of MaGee Avenue at the West end of said  
Borough of Patton and to extend to and connect with another public  
road leading from Patton Borough to Baker's Cross Roads, at a point  
on said public road known as Reilly's Mines in said Township of  
Carroll.

Your petitioners therefore pray the Court to appoint proper  
persons to view and lay out the same, according to law, - and they  
will ever pray, &c.

NOTICE OF HEARING OF APPEALS

At a Court of Quarter Sessions of the Peace of the County of Cambria held at Ebensburg,  
in the said County, on the.....17th.....day of.....April.....A. D. 190 6 , before the  
Honorable Judge of the said Court: Upon the petition of divers inhabitants of the Township  
of.....Carroll....., in the said County, setting forth that they labor under incon-  
venience for want of a....public.....road or highway, to lead from  
Patton Borough line at the terminis of Magee Avenue at the West end  
of said Borough of Patton and to extend to and connect with another  
public road leading from Patton Borough to Baker's Cross Roads at a  
point on said public road known as Reill's Mines in said Township..  
of Carroll.....

and therefore praying the Court to appoint proper persons to view and lay out the same ac-  
cording to law. The Court, upon due consideration had of the premises, do order and appoint  
.....J. L. Elder.....surveyor, and.....

.....H. S. Buck and J. E. Dale.....  
viewers, to view the ground proposed for said road, and if they view the same, and  
shall agree that there is occasion for such road, they shall proceed to lay out the same, having  
respect to the shortest distance and the best ground for a road, and in such manner as shall do  
the least injury to private property, and also be as far as practicable, agreeable to the desires of the  
petitioners, and that they make a report of their proceedings to the next Court of Quarter Sessions  
to be held for said County, stating particularly whether they judge the same necessary for a public or  
private road, together with a plot or draft thereof, and the courses and distances, and references to  
the improvements through which it may pass.

By the Court.

Attest:

.....L. C. Trappell....., Clerk.

NOTE. "It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the person or persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report at the next term of said Court, and in the said report shall state particularly: First, who of them were present at the view, second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements through which it may pass; and, whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees (except at the crossing of ravines and streams), where, by moderate filling and bridging, the declination of the road may be preserved within that limit."
