To the Honorable F. J. O'Connor, President Judge of the Court of Quarter Sessions of Cambria County, Pa.

The petition of the undersigned inhabitants of the Township of Conemaugh and County aforesaid, respectfully represents; That they, owing to the proposed construction of a dam on the part of the Conemaugh and Franklin Water Company, labor under a great inconvenience for want of a public road to begin at a point opposite the lime shed of Jacob Custer on a public road known as

Clapboard Run Road leading to the Borough of Franklin in said Township of Conemaugh, and ending at a point on the aforesaid public road immediately opposite the residence of the Charles Umberger Estate, being a distance of fourteen hundred and one (1401) feet.
in said Township.

Your petitioners therefore pray the Court to appoint three persons qualified according to law to view the ground proposed for such road, and if they see occasion to lay out the same, to inquire of and vacate the public road now opened leading to Franklin Borough on the line of the proposed road between the aforementioned termini of the proposed road, which last mentioned section of the aforesaid public road will, by reason of the laying out of the proposed substituted highway, become useless; and make report of their proceedings to the next Court.

To the Honorable F. J. O'Connor, President Judge of the Court of Quarter Sessions of Cambria County, Pa.

We, the undersigned, appointed by the annexed order, do report: That in pursuance thereof, after having been severally affirmed, all the Viewers appointed by said order viewed the ground for the proposed road, and the undersigned do agree that there is occasion for a road as petitioned for, and that the same is necessary for a public road; and having respect to the shortest distance and best ground we have laid out the same in such manner as to do least injury to private property, and as far as possible according to the desire of petitioners, and return for public use the following described road: Beginning at a point opposite the lime shed in public road; thence S. 49° 30' East 273.5 feet; thence by 35° 23' Left Curve 139.52 feet; thence N. 81° 8' East 175 feet; thence by 34° 24' Right Curve 113.13 feet; thence S. 59° 57' East 650 feet to a point in public road opposite residence of Charles Umberger Estate. The undersigned further report that they have endeavored to procure from all the owners of the said land over which the said road passes, releases in writing of all claims to damages arising from opening the same, and that they have procured releases from

and have assessed damages sustained by Mary Umberger of \$45.00 . And we do further report that we have viewed and do vacate the following described public road: Beginning at a point on the public road opposite the lime shed; thence N. 80° 50' East 471 feet; thence S. 57° 18' East 151 feet; thence S. 57° 30' East 162 feet; thence S. 64° 53' East 213 feet; thence S. 35° 14' East 169 feet; thence S. 38° 27' East 318 feet to point in public road opposite the residence of Charles Umberger Estate, which, by reason of the laying out of the first mentioned road, will become useless.

We do further report that before the view, public notice of the time and place of the meeting of the Viewers was given to all parties in interest according to law, and we annex a plot or draft of said road as

laid out, stating the courses and distances, there being no improvements along the road, with a description and draft of the road vacated, and we herewith also return the releases obtained and copy of notices.

Witness our hands this 2nd day of June, 1911.
