To the Honorable F. J. O'Connor, President Judge of the Court of
Quarter Sessions of Cambria County, Pa.

We, the undersigned, appointed by the annexed order do report:
That, in pursuance thereof, after having been severally sworn or af-
firmed, all the Viewers appointed by said order viewed the ground
for the within mentioned barriers and do not recommend that guards
or barriers be erected on the Slick Road, as desired by petitioners,
for the reason that from appearances and information received on the
ground, it is very seldom used and does not warrant the expense.

We do further report that notice of the view was given to the
County Commissioners and Board of Supervisors and by ad-
vertisement in conspicuous places in the vicinity ten days before
said meeting, and we further annex a plot or draft of the road indi-
cating the location of said barriers.

Witness our hands this 13th day of June, A. D. 1911.

COMMONWEALTH OF PENNSYLVANIA, :
COUNTY OF CAMBRIA. :SS.

At a Court of Quarter Sessions of the Peace of the County of Cambria held at Ebensburg, in the said County, on the 20th day of March, A. D. 1911, before the Honorable Judge of the said Court: Upon the petition of divers inhabitants of the Township of Middle Taylor, in the said County, setting forth: That there is need for a barrier upon a public highway between points hereinafter mentioned and that the expense of erecting the same is more than the Township can reasonably bear; the said portions of the aforesaid highway needing barriers being entirely within the said Township of Middle Taylor and described thus: Known as the Slick Road, leading from Pole Hollow Road to Stone Pike; beginning at the division line of West and Middle Taylor Townships, thence in and Easterly direction to the intersection with the Benshoff Hill Road at the land of Edward Brehm, a distance of one-half mile.

Wherefore your petitioner pray the Court to order a view in the manner provided for in the case of roads to view the premises for the purpose of determining whether or not such guards or barriers are necessary and whether or not the same would be too expensive for said Township to erect and maintain; and report to make thereon as provided by the Act of Assembly of May 25, 1878, P. L. 150 and its supplements.

Now, Mch. 20, 1911, upon considering within petition John Huebner, John Hannan, C. P. Collins, appointed viewers as prayed for.
