NOTE. "It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the person or persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

To the Honorable Francis J. O'Connor, President
Judge of the Court of Quarter Sessions of Cambria
County, Pa.

We, the undersigned viewers, appointed by the annexed
order, to view the ground for a road therein
mentioned respectfully report, That after giving
due public notice of the time and place of
meeting, and having served copies of said notice
upon the Supervisors, and also upon the
County Commissioners, All the viewers
appointed by said order met on Tuesday
the 22nd day of August 1911, and after being
severally sworn or affirmed to perform our
duties impartially and to the best of our
judgment, proceeded to view the ground for
said road, and after going over the ground,
and considering the matter carefully, the
undersigned do agree that there is no
occasion for a road as desired by the
petitioners, that such a road would be
inconvenient for the traveling public, and
burdensome upon the taxpayers of said Township.
We, therefore report against the same;

fully represent:

That they are laboring at a disadvantage in the use of a part
