Supervisors of Elder Township

IN THE MATTER OF THE PETITION OF THE
INHABITANTS OF THE VILLAGE OF SLICK-
PORT, TOWNSHIP OF ELDER, COUNTY OF
CAMBRIA AND STATE OF PENNSYLVANIA,
FOR THE LAYING OUT OF A PUBLIC ROAD.

TO: JEROME HOLTZ, CHARLES B. THOMAS and MICHAEL NOVAK,
SUPERVISORS OF ELDER TOWNSHIP

The petition of the undersigned inhabitants of the Village of Slickport, Township of Elder, County of Cambria and State of Pennsylvania, respectfully represents:

- 1 -

That your petitioners labor under great inconvenience for want of a public road or highway in the Village of Slickport, Township of Elder, to begin at a point on the township road leading from Slickport to Plattsville, said point of beginning being on the northerly side of said township road; approximately seven hundred ninety (790) feet in a northerly direction on said township road from a point where said township road intersects with State Highway Route No. 36; thence by a convenient route along the properties of your petitioners to a point of ending on the property line of Rich. Hill Coal Mining Company. A road presently existing between the two points is not improved in any manner and is not adequate for vehicular traffic.

- 2 -

That your petitioners are the majority in interest of the owners of property or properties through which such road passes or of the property or properties that abut on said road.

- 3 -

That the above road, as proposed, lies wholly within the said Township of Elder and no part of the same will lie in any adjoining township, borough or county.

That such proposed road is necessary for the public convenience.

Your petitioners, therefore, pray that the Supervisors of said Elder Township inquire of said road and open the same as a public highway and make return of their proceedings according to the Act of Assembly in such case made and provided.

And they will ever pray, etc.
