To the Honorable, the Judges of the Court of Quarter Sessions of  
Cambria County, Pennsylvania.

We, the undersigned members of the board of viewers of Cambria county, appointed by your honorable Court, upon the attached order, and therein directed to ascertain and assess the damages sustained by Michael Stock by reason of the changing of the lines and location of the right of way of the public road, leading from the borough of Ebensburg to the borough of Loretto, where the same crosses through and over the premises of said Michael Stock in Allegheny Township, this county and state, respectfully report:

That having given due notice of the view and of the time and place of meeting of the viewers to the parties concerned and having them accept service of notices hereto attached and having been first duly sworn or affirmed according to law to faithfully, justly and impartially decide and true report to make concerning all matters and things submitted to us concerning which we were authorized to enquire; all of us met upon the premises in accord with the notices so given together with the petitioner and a representative for the Commissioners of Cambria County and having gone over the premises noting carefully the changes in the lines and location of the road and where the said new road has been widened and excavated and having adjourned to a later day; of which all parties concerned had due notice and appeared with their witnesses and attorneys, when they had an opportunity to be heard: and having carefully considered the testimony offered and gone over the premises, as aforesaid, noting the nature and extent of the land so taken, injured or destroyed and the value thereof, the injury done or sustained, the materials taken or destroyed and the advantages or disadvantages which have resulted or which seem likely to result from the taking, using and occupying the premises aforesaid; we have estimated and determined that the said Michael Stock has sustained damages by reason of the change in

the line and location of the road, the widening, excavating and appropriating of the said new right of way through and over his said premises to the extent of nine hundred seventy five (\$975.00) dollars and therefore recommend that the Commissioners of Cambria County should pay that amount of damages to Michael Stock, the petitioner.
