~~convenience for want of a~~ ^{road or highway to lead from} a portion of the public highway known as the Solomon Run Road in aforesaid Township should be vacated for the following reasons, namely, it has become useless, inconvenient and burdensome; it leads to and passes over an elevated summit known as Hellman's Hill with a heavy grade; it has a considerable bend; it is dangerous, and it is three thousand nine hundred and fifty (3950) feet in length and that it should be supplied by another road five thousand eight hundred sixty-eight (5868) feet in length, and considerably lessened in grade, this remedying the aforesaid defects; both of aforesaid roads to be vacated and supplied being herein after described.

That the portion of said Solomon Run Road to be vacated begins at the Calvary Church at a point three thousand four hundred seventy-three (3473) feet Eastwardly along said road from its intersection with the public highway at Meyers School House, said last mentioned highway bisecting the aforesaid road at said School house and extending across it in a Northerly direction to Frankstown Road, and in a Southerly direction to the Johnstown and Scalp Level Turnpike; said portion to be vacated runs or extends from its starting point in an Eastwardly direction, a distance of three thousand nine hundred fifty-two (3952) feet to a point in the public highway leading from South Fork to Geistown, said last point or Easterly terminus thereof being on the Easterly slope of Hellman's Hill, a distance of one thousand two hundred and ten (1210) feet Westerly from the intersection of aforesaid Solomon Run Road, as now located, with the public highway leading from the Borough of South Fork, to the Village of Geistown, in said county and state.

That the road to supply the portion proposed to be vacated as above set forth is to begin at the Calvary Church on the Solomon Run Road or at a point on said road three thousand four hundred seventy-three (3473) feet Eastwardly from its intersection with a public highway at Meyers School House, said last mentioned highway bisecting the aforesaid road at said school house and extending across it in a Northwardly direction to the Frankstown Road, and in a Southwardly direction to the Johnstown & Scalp Level Turnpike, and said road extending from the aforesaid point of beginning in an Eastwardly direction a distance of five thousand eight hundred sixty-eight (5868) feet to a point in the public highway leading from the Borough of South Fork to the Village of Geistown, said county and state, said last point being the Easterly terminus of said supplying road and said point being two thousand and five (2005) feet Northwardly from the intersection of said public highway leading from South Fork to Geistown with the aforesaid Solomon Run Road as it is now located.

REPORT OF VIEWERS.

To the Honorable, the Judges of said Court.

We, the undersigned Viewers, appointed by the annexed order of the above Court, to view the premises for the vacating and supplying of a public road leading from Calvary Church over an elevated summit known as Hellman's Hill, said point of beginning being 3473 feet Eastwardly along said road from its intersection with the public highway at Meyers School House, said last mentioned highway bisecting the aforesaid road at said School House and extending across it in a Northerly direction to Frankstown Road, and in a Southerly direction to the Johnstown and Scalp Level Turnpike; said portion to be vacated runs or extends from its starting point in an Eastwardly direction a distance of 3952 feet to a point in the public highway leading from South Fork to Geistown said last point or Easterly terminus thereof being on the Easterly slope of Hellman's Hill, a distance of 1210 feet Westerly from the intersection of aforesaid Solomon Run Road, as now located, with the public highway leading from the Borough of South Fork to the Village of Geistown in said County and State, that the road to supply the portion proposed to be vacated as above set forth is to begin at the Calvary Church on the Solomon Run Road or at a point on said road 3473 feet Eastwardly from its intersection with a public highway at Meyers School House, said

That they were duly sworn or affirmed as members of the permanent Board of Viewers of Cambria County as shown by the records of said Court, gave due public notice of the time and place of meeting of said Viewers by handbills posted on the premises and by notice served upon the Commissioners of Cambria County and upon the Secretary of the Board of Supervisors of the Township of Richland, at least ten days prior to the time of making the said view, evidence of which is shown by copies of said Notice hereto attached; that we met upon the premises according to notice given at the Calvary Church on the 8th day of February A. D. 1923 at ten o'clock A. M. and proceeded with the duties of our appointment.

We viewed the site and locality of the road proposed to be laid out, making a personal inspection of the ground between the points designated in the petition and order.

PETITION TO VACATE AND SUPPLY PART OF A ROAD

To the Honorable the Judges of the Court of Quarter Sessions of
Cambria County, Pennsylvania:

The petition of the undersigned, inhabitants of the
Township of Richland, Cambria County, Pennsylvania, respect-
fully represents:

That a portion of the public highway known as the
Solomon Run Road in aforesaid township should be vacated for the
following reasons, namely, it has become useless, inconvenient
and burdensome; it leads to and passes over an elevated summit
known as Hellman's Hill with a heavy grade; it has a considerable
bend; it is dangerous, and it is three thousand nine hundred
and fifty (3950) feet in length and that it should be supplied
by another road five thousand eight hundred sixty-eight (5868)
feet in length, and considerably lessened in grade; this re-
medying the aforesaid defects; both of aforesaid roads to be
vacated and supplied being hereinafter described.

That the portion of said Solomon Run Road to be va-
cated begins at the Calvary Church at a point three thousand
four hundred seventy-three (3473) feet Eastwardly along said
road from its intersection with the public highway at Meyers
School House, said last mentioned highway bisecting the afore-
said road at said school house and extending across it in a
Northerly direction to Frankstown Road, and in a Southerly
direction to the Johnstown and Scalp Level Turnpike; said por-
tion to be vacated runs or extends from its starting point in
an Eastwardly direction a distance of three thousand nine hundred

fifty-two (3952) feet to a point in the public highway leading from South Fork to Geistown, said last point or Easterly terminus thereof being on the Easterly slope of Hellman's Hill, a distance of one thousand two hundred and ten (1210) feet Westerly from the intersection of aforesaid Solomon Run Road, as now located, with the public highway leading from the Borough of South Fork, to the Village of Geistown, in said county and state.

That the road to supply the portion proposed to be vacated as above set forth is to begin at the Calvary Church on the Solomon Run Road or at a point on said road three thousand four hundred seventy-three (3473) feet Eastwardly from its intersection with a public highway at Meyers School House, said last mentioned highway bisecting the aforesaid road at said school house and extending across it in a Northwardly direction to the Frankstown Road, and in a Southwardly direction to the Johnstown & Scalp Level Turnpike, and said road extending from the aforesaid point of beginning in an Eastwardly direction a distance of five thousand eight hundred sixty-eight (5868) feet to a point in the public highway leading from the Borough of South Fork to the Village of Geistown, said county and state, said last point being the Easterly terminus of said supplying road and said point being two thousand and five (2005) feet Northwardly from the intersection of said public highway leading from South Fork to Geistown with the aforesaid Solomon Run Road as it is now located.

Your petitioners therefore pray the Court to appoint proper persons to vacate the portion of the road as above described, and to supply the same with the road as proposed in aforesaid petition.
