Township, Cambria County,

No.           : March Term, 1923.

PETITION TO VACATE AND SUPPLY PART OF A ROAD

To the Honorable the Judges of the Court of Quarter Sessions  
of Cambria County, Pennsylvania:

The petition of the undersigned respectfully repre-  
sents:

That a portion of the public highway known as the  
Stull Road in aforesaid township should be vacated for the  
following reasons, namely, it has become useless, inconvenient  
and burdensome; its vacation will lessen the expense of road  
repairs; and it is one thousand and thirty-five (1035) feet  
in length; that it should be supplied by another road one  
thousand five hundred twenty-two (1522) feet in length, thus  
remedying the aforesaid defects; both of aforesaid roads to  
be vacated and supplied being hereinafter described.

That the portion of said road to be vacated begins  
at the top of Hellman's Hill at a point one thousand seven  
hundred twenty-seven (1727) feet Westwardly from the High-  
land School and two thousand nine hundred thirty-seven (2937)  
feet Westwardly from the intersection of Solomon Run Road with  
the public highway leading from the Borough of South Fork, to  
the Village of Geistown, said county and state, said portion  
to be vacated runs or extends from its starting point in a  
Northwardly direction a distance of one thousand thirty-five  
(1035) feet to a point on a proposed new highway, said last  
point or Northerly terminus of said road being at the David  
Stull farm and two thousand eight hundred ninety-six (2896)  
feet Eastwardly from a point on the Solomon Run Road at the

Calvary Church along said road, and being on the proposed new road leading from said church to the highway leading from South Fork to Geistown.

That the road to supply the portion to be vacated as above set forth is to begin at a point on the Solomon Run Road at the Highland School, said point being three thousand nine hundred and fifty (3950) feet Eastwardly along said Solomon Road from Calvary Church, the said supplying road to run from said point at Highland School in a Northerly direction a distance of one thousand five hundred twenty-two (1522) feet to a point one thousand and forty (1040) feet Westwardly from the public highway leading from the Borough of South Fork to the Village of Geistown.

Your petitioners therefore pray the Court to appoint proper persons to vacate the portion of the road as above described, and to supply the same with the road as proposed in aforesaid petition.

No. 4 December Sess. 1922.

REPORT OF VIEWERS.

To the Honorable, the Judges of said Court:

We, the undersigned Viewers, appointed by the annexed order of the above Court, to view the premises for the vacating and supplying of a Public road.

That the portion of the road to be vacated begins at the top of Hellman's Hill at a point one thousand seven hundred twenty seven (1727) feet Westwardly from the Highland School and two thousand nine hundred thirty seven (2937) feet Westwardly from the intersection of the Solomon Run Road with the public highway leading from the Borough of South Fork to the Village of Geistown Cambria County, Pennsylvania and extends from its starting point in a Northerly direction a distance of one thousand and thirty five (1035) feet to a point on the proposed new highway, said point or Northerly terminus of said road being at the David Stull farm and two thousand eight hundred ninety-six (2896) feet Eastwardly from a point on the Solomon Run Road at Calvary Church along said road and being on the proposed new road from said church to the highway leading from South Fork to Geistown.

And the said road to supply the portion to be vacated as above set forth, begins at a point on the Solomon Run Road at the Highland School, said point being three thousand nine hundred fifty (3950) feet Eastwardly along said Solomon Run Road

from Calvary Church, the said supplying road running from said point at Highland School in a Northerly direction a distance of one thousand five hundred twenty-two (522) feet to a point one thousand forty feet (1040) feet westwardly from the public highway leading from the Borough of South Fork to the Village of Geistown, respectfully report:-

That we were duly sworn or affirmed as members of the permanent Board of Viewers of Cambria County, as shown by the records of said Court, gave due public notice of the time and place of meeting of said Viewers by handbills posted on the premises and by notice served upon the Commissioners of Cambria County, and upon the Secretary for the Board of Supervisors of the Township of Richland, at least ten days prior to the time of the making of said view, evidence of which is shown by copies of said Notice hereto attached; that we met upon the premises according to the notice given at the David Stull farm on the 8th day of February A. D. 1923 at 10:30 o'clock A. M. and proceeded with the duties of our appointment.

We viewed the site and locality of the road proposed to be laid out, making a personal inspection of the ground between the points designated in the petition and order.

We are of the opinion and agree that a public road is necessary and that we authorize the laying out of the road according to the accompanying draft. We therefore lay out and return for public use a road as follows:- Beginning at the center of the road at a point on the Solomon Run Road at the Highland School three thousand nine hundred and fifty (3950) feet Eastwardly along said Solomon Run Road from Calvary Church and a distance of one thousand and forty (1040) feet in a Northerly direction at Highland School; thence from the starting point being the center of aforesaid road the place of beginning North fifty-five (55°) degrees ten (10') minutes East one thousand five hundred twenty-two (1522) feet to a point at the side of

a proposed road which was viewed and recommended in a Report to the Court of Quarter Sessions of Cambria County, Pennsylvania entered to Number 3 December Sessions 1922, the road being supplied touching land of the Wilmore Coal Company on the one side and lands of John Barron and Oliver Messersmith on the other side.

We further report and are of the opinion and agree to vacate the road beginning at the top of Hellman's Hill at a point one thousand seven hundred thirty-seven (1737) feet Westwardly from the Highland School and two thousand nine hundred thirty-seven (2937) feet Westwardly from the intersection of the Solomon Run Road with a public highway leading from the Borough of South to the Village of Geistown, said portion to be vacated extends from its point of beginning in a Northwardly direction one thousand thirty-five (1035) feet to a point of proposed new highway said last point or Northerly terminus of said road being at the David Stull farm two thousand eight hundred ninety-six (2896) feet Eastwardly from a point on the Solomon Run Road at the Calvary Church along said road and being on the proposed new road leading from said church to a highway leading from South Fork to Geistown, in the following courses and distances:- South twenty-six (26°) degrees thirty (30') minutes West two hundred sixty (260) feet to a point; thence South fifty-five (55°) degrees thirty (30') minutes West seven hundred seventy-five (775) feet to a point.

That we have secured release of Oliver Messerschmidt through whose land the proposed road is located, in consideration of the advantages said property owner expects to derive for the same if said proposed road is confirmed, has released the Commissioners of Cambria County and the Supervisors of Richland

Township from any damage that has ~~or~~ may accrue to him for and on account or by reason of the locating, opening or using of said road or that might, accrue to him from said road by any reason whatsoever. The release of said land owner is more fully set forth on a RELEASE OF DAMAGES as attached and made a part of the report entered to No. 3 December Sessions, 1922, and filed in the Office of the Clerk of Quarter Sessions of Cambria County, Pennsylvania on March 5th., A. D: 1923.

We were unable to secure a release of damages from the Wilmore Coal Company, therefore we assess no benefits and no damages.

WITNESS our hands this third day of March A. D. 1923.

At a Court of Quarter Sessions of the Peace of the County of Cambria held at Ebensburg, in the said County, on the 18th day of December A. D. 1922, before the Honorable Judge of the said Court: Upon the petition of divers inhabitants of the Township of Richland, in the said County, setting forth that they labor under incon-

venience for want of a ~~road or highway to be built from~~ a portion of the public highway known as the Stull Road in aforesaid township should be vacated for the following reasons, namely, it has become useless, inconvenient and burdensome; its vacation will lessen the expense of road repairs; and it is one thousand and thirty-five (1035) feet in length; that it should be supplied by another road one thousand five hundred twenty-two (1522) feet in length, thus remedying the aforesaid defects; both of aforesaid roads to be vacated and supplied being hereinafter described.

That the portion of said road to be vacated begins at the top of Hellman's Hill at a point one thousand seven hundred twenty-seven (1727) feet Westwardly from the Highland School and two thousand nine hundred thirty-seven (2937) feet Westwardly from the intersection of Solomon Run Road with the public highway leading from the Borough of South Fork, to the Village of Geistown, said county and state, said portion to be vacated runs or extends from its starting point in a Northwardly direction a distance of one thousand thirty-five (1035) feet to a point on a proposed new highway, said last point or Northerly terminus of said road being at the David Stull farm and two thousand eight hundred ninety-six (2896) feet Eastwardly from a point on the Solomon Run Road at the Calvary Church along said road, and being on the proposed new road leading from said church to the highway leading from South Fork to Geistown.

That the road to supply the portion to be vacated as above set forth is to begin at a point on the Solomon Run Road at the Highland School, said point being three thousand nine hundred and fifty (3950) feet Eastwardly along said Solomon Road from Calvary Church, the said supplying road to run from said point at Highland School in a northerly direction a distance of one thousand five hundred twenty-two (1522) feet to a point one thousand and forty (1040) feet Westwardly from the public highway leading from the Borough of South Fork to the Village of Geistown.

and therefore praying the Court to appoint proper persons to view and lay out the same according to law. The Court, upon due consideration, had of the premises, do order and appoint

M. J. Baumgardner surveyor, and

Adam Shuman and Phil Caulfield

viewers, to view the ground proposed for said road, and if they view the same, and shall agree that there is occasion for such road, they shall proceed to lay out the same, having respect to the shortest distance and the best ground for a road, and in such manner as shall do the least injury to private property, and also be as far as practicable, agreeable to the desires of the petitioners, and that they make a report of their proceedings to the next Court of Quarter Sessions to be held for said County; stating particularly whether they judge the same necessary for a public or private road, together with a plot or draft thereof, and the courses and distances, and references to the improvements through which it may pass.

By the Court.
