Filed 3 Sept. 1923.

To the Honorable, the Judges of the Court of Quarter Sessions of
Cambria County, Pennsylvania.

The Petition of the undersigned, inhabitants of the Township
of Adams, said county and state, respectfully represent:

That a public road has long since been laid out to lead from
a point on the public road leading from Lovett to Palestine be-
ginning at a distance of 1365 ft. Westward along said Lovett-Pal-
estine road from the intersection of the Salix-St. Michael road
therewith and ending on the Lamb's Bridge-Salix road at a point
5188.2 ft. Northward from the intersection of the Lovett-Pales-
tine road with the Salix-Lamb's Bridge road.

That a portion of said road, viz: That portion lying between
points indicated on the rough sketch hereto attached and made a
part of this petition; for the purpose of making more clear and
definite the sections of road referred to herein; has for some
years past fallen into disuse and disrepair, become dangerous and
burdensome and the legal status thereof indefinite and uncertain:
Said portion of road thus referred to being that portion repres-
ented as lying between points indicated as "A" and "C" on the at-
tached sketch, beginning at the point of beginning of the first
above mentioned road and ending at a point located by running in
a general Northerly direction for 7391.8 ft. along said abandoned
road from the above noted point of beginning indicated as point
to the point indicated as "C".
"A"/ This portion of road your petitioners desire vacated.

/That a piece of road to begin at point "C" on the attached
sketch and herein above definitely located and to end at point
indicated as "D" on said sketch and located by beginning at the
intersection of the Lovett-Palestine road with the Salix- St.
Michaels road and measuring thence along said last mentioned road
in a general Northerly direction 5422 ft. to the Lovett-South Fork
road and thence in a North Westerly direction, along said Lovett-
South Fork road for 2823.8 ft. to point "D" indicated on said at-
tached sketch; is necessary for the convenience and accomodation

of the traveling public and this piece of road your petitioners desire to have laid out and supplied.

That during the year 1914 the portion of road first above referred to and lying between points "A" and "B" was recommended to be vacated; the no petition requesting its vacation had been presented & no view directly relative thereto had been granted by the Court; yet in 1915 a petition was presented and a view granted asking that the said piece of road, above referred to, as recently vacated be laid out and supplied. The viewers appointed by the Court upon this petition reported that the said piece of road desired to be supplied was unnecessary and should not be granted.

Therefore your petitioners pray your honorable Court to appoint three members of the permanent board of viewers of Cambria County to view and determine as to the propriety of vacating the aforesaid piece of road requested to be vacated and also to view and determine as to the necessity for laying out and supplying the piece of road hereinabove requested to be supplied, and that they be directed to make a report of their proceedings to the next term of said court.
