IN RE: VACATION OF SECTION
OF PUBLIC ROAD IN ADAMS
TOWNSHIP, CAMBRIA COUNTY, PA.

IN THE COURT OF QUARTER SESSIONS
OF CAMBRIA COUNTY, PENNA.
NO. 4, DECEMBER SESSION, 1931

REPORT OF VIEWERS

To the Honorable, the Judges of the above mentioned Court. We, the undersigned Viewers, appointed by the attached order of the above Court to view the road within mentioned, respectfully report.

That we have been duly sworn or affirmed as Members of the Permanent Board of Viewers of Cambria County, as shown by the records of the Court; that having given due public notice of said view and of the time and place of meeting by posting notices, as required by law, along the route and at the termini of said road proposed to be vacated and by service of such notices on the Commissioners of Cambria County, the Supervisors of Adams Township or their Solicitor, and the Supervisors of Richland Township, evidence of which is shown by copies of said notices hereto attached and made a part of this report; that we met in accordance with the notice given on the 19th day of February A. D. 1932 at 9:00 o'clock A. M. and proceeded with the duties of our appointment and viewed the premises and route of the proposed road to be vacated; that a number of interested persons were present and heard, for and against the proposed vacation; that said section of road proposed to be vacated crosses Sandy Run then ascends a steep grade to the Adams and Richland Township line; that said portion of road has not been in general use for several years and the bridge crossing Sandy Run is entirely destroyed; that said section of road proposed to be vacated passes through and along unimproved land, with the exception of a small area at the entrance to the Charles Mellott buildings.

That after viewing the premises and surrounding territory and taking into consideration all of the matter before us, we are of the opinion that the portion of road proposed to be vacated, shown in green and described on the blue print hereto attached and made a part hereof, has become useless, inconvenient and burdensome upon the tax payers, and therefore recommend that same be vacated.

That the plot or draft hereto attached shows the improvements and Owners of adjacent territory along the route of said section of road proposed to be vacated.

Witness our hands this 26th day of February A. D.
1932.

James M. Jones Clerk.

NOTE. "It shall be the duty of all persons appointed in the several counties of this Commonwealth to view and review any public or private road or bridge, if they shall decide in favor of locating said road or bridge, to endeavor to procure from the person or persons over whose land such location may be made releases from all claims for damages that might arise from the opening of such road or the building of such bridge; and in every case where said viewers shall fail to procure such releases, and it shall appear to them that any damages will be sustained, it shall be their duty to assess the damages and make report thereof signed by a majority of their number, and return the same, together with all releases obtained, to the Court of Quarter Sessions, and the damages so assessed shall be conclusive, or may be subject to appeal, review or modification, as may be provided by existing laws in the different counties of this Commonwealth."

"The persons appointed as aforesaid shall view such ground, and if they shall agree that there is occasion for a road, they shall proceed to lay out the same, having respect to the shortest distance, and the best ground for a road, and in such manner as shall do the least injury to private property, and also be, as far as practicable, agreeable to the desire of the petitioners."

"The viewers, as aforesaid, shall make report at the next term of said Court, and in the said report shall state particularly: First, who of them were present at the view, second, whether they were severally sworn or affirmed; third, whether the road desired be necessary for a public or private road; they shall also annex and return to the Court a plot or draft thereof, stating the courses and distances, and noting briefly the improvements through which it may pass; and, whenever practicable, the viewers shall lay out the said roads at an elevation not exceeding five degrees (except at the crossing of ravines and streams), where, by moderate filling and bridging, the declination of the road may be preserved within that limit."
