No. 6, December Sessions, 1936.

REPORT OF VIEWERS

To the Honorable, the Judges of the above named Court, we the undersigned Viewers, appointed by the annexed order of the Court to view the proposed road within mentioned, respectfully report:

That we have been duly sworn or affirmed as members of the Permanent Board of Viewers of Cambria County, as shown by the records of the Court; that having given due public notice of the time and place of meeting, by posting notices as required by law along the route and at the termini of the said proposed new road, as evidenced by copy of said notice hereto attached, and by service of such notice on the County Commissioners of Cambria County and the Supervisors of Upper Yoder Township, acceptance of service of said notice by the County Commissioners and the Supervisors of Upper Yoder Township by their Solicitor being hereto attached; that we met in accordance with the notice given on the 6th day of April A. D. 1937 at 1:30 o'clock P. M. and proceeded with the duties of our appointment and viewed the premises and route of the proposed new road; that the route of the proposed new road follows Slagle Street and a portion of Center Street, dedicated highways in the Christian Slagle Plan of Lots in Upper Yoder Township; that said proposed new road is now opened and in a good state of improvement; that the acceptance of said proposed new road as a Township Road and part of the Township Highway system will not cause any additional or unusual expense to the Township; that a number of dwelling houses, twelve (12) or more, all occupied by families occupy lots adjoining the proposed new Road; the viewers named herein were present during the view and the petitioners were represented; that after viewing the

premises, although the ending terminus of said proposed new road is not in an intersecting public highway, we are of the opinion that a necessity exists for ^{the} proposed new road, therefore, we proceeded to lay out said road as follows: Beginning at the intersection of said proposed road known as Slagle Street with the northerly side of State Highway Route 53 known as Valley Pike at a distance of 1035.0 feet measured along the said Valley Pike in a northeasterly direction from the intersection of another public road known as the Somerset Pike, leading from said Valley Pike to Somerset, thence along the center line of Slagle Street N.32°12'W. 167.0 feet to the center line of Center Street; thence by the center line of Center Street N.63°13'E. 326.0 feet; thence N.72°15'E. 203.3 feet; thence N.84°11'E. 148.1 feet to the place of ending, said ending being at the intersection of the extension of the lot line between lots numbers 2 and 3 on the Christian Slagle Plan of Lots, being the line between property of Florence and Robert Wesley and Milliard D. Meyers at a distance of 844.4 feet from the place of beginning measured along the center line of Slagle Street and Center Street, said proposed new road being colored green on the blue print attached hereto and made a part hereof. The section of the proposed new road indicated as Slagle Street as dedicated is only 30 feet in width which requires the taking of 1.5 feet additional width on either side of said Slagle Street to provide for the minimum width of 33 feet, is hereby laid out and included in said highway.

After taking into consideration all the matters before us, we are of the opinion that the road as prayed for by the petitioners and laid out by us is necessary and convenient, therefore, we recommend that the prayer of the petitioners be granted.

We are informed that releases of damages were filed with the petitions for view, however, in consideration of the benefits and damages sustained or that may seem likely to be sustained by the abutting property owners by reason of the opening and maintaining of said proposed new road, we assess no benefits and no damages.

Witness our hands and seals this 10th day of April
A. D. 1937.

PETITION FOR APPOINTMENT OF VIEWERS

TO THE HONORABLE, THE JUDGES OF THE COURT OF QUARTER SESSIONS IN AND FOR
CAMBRIA COUNTY, PENNSYLVANIA:

The petition of the undersigned inhabitants of the said Township
of Upper Yoder, in the County aforesaid, respectfully represents:

That your petitioners labor under great inconvenience for want
of a public road or highway in the said Township of Upper Yoder, to begin at
the junction of said proposed road and Valley Pike, the center line of said
proposed road being eastwardly a distance of ten hundred thirty-five (1035) feet
from the intersection of a public highway leading from the said Valley Pike to
Somerset, said proposed road having the following courses and distances:
Thence by the center line of Slagle Street North $32^{\circ} 12'$ West one hundred sixty-
seven (167) feet to center line of Center Street; thence by Center Street North
 $63^{\circ} 13'$ East three hundred twenty-six (326) feet; thence North $72^{\circ} 15'$ East
two hundred three and three-tenths (203.3) feet; thence North $84^{\circ} 11'$ East
one hundred forty-eight and one-tenth (148.1) feet to the place of ending.

The exact distance from the point of beginning of said proposed
road, as set forth in this petition, from an intersecting public road or street,
to-wit, the intersection of the aforesaid junction of Valley Pike and a public
road to Somerset, is ten hundred thirty-five (1035) feet, measured from the
center line of said public road to Somerset and said Valley Pike to the center
line of said Slagle Street.

A print showing the location of said proposed road, as above
described, is hereto attached, made part hereof and marked "EXHIBIT A".

Your petitioners further represent that notwithstanding the fact
that one of the termini named in the said petition, namely, the point of ending
of said proposed road, is at a point other than in a public highway or place

of public resort, that the said proposed road is one necessary for public travel.

A copy of written notice to the Supervisors of said Upper Yoder Township of the intended presentation of this application, with an acceptance of service thereon, is hereto attached, made part hereof and marked "EXHIBIT B".

A release of damages, whereby the owners of property abutting the aforesaid proposed road release the said Township of Upper Yoder from all damages by reason of the opening, grading, draining, improving and maintaining the said proposed highway, is filed to No. 5 March Sessions, 1934.

Your petitioners therefore pray the Court to appoint three members of the permanent Board of Viewers of Cambria County to view the ground proposed for such road, and if they see the necessity therefor, lay out the same and make a report of their proceedings to the next sessions of Court.
