IN RE: ALTERATION OF BOUNDARY LINES OF WESTMONT AND SOUTHMONT BOROUGHS : IN THE COURT OF COMMON PLEAS : OF CAMBRIA COUNTY : PENNSYLVANIA

ROAD DOCKET

PETITION TO ALTER BOROUGH BOUNDARY LINES

AND NOW comes the Borough of Westmont by and through their Solicitor, William Gleason Barbin, Esq., and the Borough of Southmont, by and through their Solicitor, Daniel R. Lovette, Esq. and submit the following Joint Petition for alteration of Borough boundary lines, and in support thereof set forth the following reasons:

- 1. Authority for this Petition and the the Court acting on it is contained in 1966, February 1, P.L. No. 581, Sec 502 (53 P.S. 455026 (i)).
- 2. Westmont Borough was incorporated by the Court of Common Pleas on June 13, 1892, as recorded in the Road Docket in the Clerk of Courts Office for Cambria County at R.D. volume 10, page 258 or copy of which containing the metes and bounds is attached hereto and incorporated by reference as Exhibit A.
- 3. The Borough of Southmont was incorported by the Cambria County Court of Common Pleas on June 2, 1919, as recorded in the Road Docket in the Clerk of Courts Office for Cambria County at R.D. volume 28, page 393.
- 4. The two Boroughs have an irregular adjoining boundary in the vicinity of Luzerne Street and Stackhouse Park, as shown on the attached portions of tax maps as annexed hereto.
- 5. The Westmont Volunteer Fire Company has recently purchased property on Luzerne Street for a new fire hall, which would be more centrally located for responding to fire alarms in Westmont Borough and ambulance calls in both Westmont and Southmont Boroughs.
- 6. The land suggested for the proposed new fire hall is currently located within the Borough of Southmont. The request for change of boundary lines would adjust property lines in the Borough of Westmont so that the fire hall would be located within Westmont Borough. The only other changes are to one property, which is currently located in both Boroughs, and to Diamond Boulevard and Luzerne Street Extension, where they cross through both Boroughs.

7. That the respective Borough Councils have met, negotiated and come up with a mutually agreeable plan for alteration of boundary lines which make minimal changes to accomplish the objectives sought. The changes requested are shown on the attached map and legal description as prepared by Rick Brehm, Borough Engineer for Southmont Borough, attached hereto and made a part hereof as Exhibit B.

WHEREFORE your Petitioners pray the Court to appoint three impartial persons as Commissioners, one of them a surveyor or registered engineer to inquire into the merit of this Petition and to hold a hearing, view the lines and boundaries, prepare a report to the Court containing their opinion as to the same, to be confirmed by the Court upon notice to the parties and such interested persons as the Court may designate. LINES OF WESTMONT AND SOUTHMONT BOROUGHS	Š	CAMBRIA COUNTY, PENNSYLVANIA
TO THE STATE OF TH	Š	NO. 5-1985 ROAD DOCKET

REPORT AND RECOMMENDATION OF ROAD COMMISSIONERS

TO THE HONORABLE, THE JUDGES OF THE SAID COURT:

NICHOLAS J. MIKESIC, Esquire, T.L. LOCHER and CHARLES E. SLEP were appointed by Order of June 19, 1985, per H. Clifton McWilliams, President Judge, to hold a hearing and view the lines and boundaries, and make a report to the Court, with regard to the joint Petition to Alter Boundary Lines filed by William Gleason Barbin, Esquire, former Solicitor for Westmont Borough and Daniel R. Lovette, Esquire, Solicitor for Southmont Borough, and in accordance with the requirements of Sections 502-506 of the Pennsylvania Borough Code of February 1, 1966, P.L. (1965) ____, No. 581, as amended (53 P.S. §\$45502-45506).

An Amended Petition was filed by the said William Gleason Barbin, Esquire, alleging the existence of a bona fide boundary dispute between the respective Boroughs and, thus, the necessity for adjustment of a portion of the boundary line between said Boroughs.

Pursuant to our appointment, the Commissioners ultimately fixed December 18, 1985, at 5:30 o'clock P.M. at the Westmont Borough Building, 1560 Menoher Boulevard, Johnstown, Pennsylvania 15905, as the date, time and place for hearing on the matter. Notice of hearing was advertised once on December 5, 1985, in each of the Johnstown Tribune-Democrat and the Cambria County Legal Journal, and copies of said notice were delivered to interested property owners in accordance with the Proofs of Publication and Affidavits of Service attached hereto.

Immediately prior to said hearing, the Commissioners viewed the subject portion of the boundary line in the presence of counsel for both Boroughs. At the hearing of the Commissioners heard testimony from the following in behalf of Southmont Borough and Westmont Borough, respectively:

RICHARD W. BREHM, P.E.,
Southmont Borough Engineer
FREDERICK R. POULEN,
Southmont Borough Zoning Administrator
THOMAS J. DAILEY,
Southmont Borough Manager and Treasurer
JAMES WIDMANN

A letter from ROBERT BEATTY, Westmont Borough Public Works Director, was read into the record without objection.

The cases were presented respectively by Daniel R. Lovette, Esquire, Solicitor for Southmont Borough, and William Gleason Barbin, Esquire, former Solicitor for Westmont Borough.

FINDINGS OF FACT

- 1. The subject portion of the boundary line between Westmont and Southmont Boroughs was never actually set by a surveyor or engineer.
- No physical markers were hertofore erected, showing the actual location of said boundary line.
- 3. Several years ago, a dispute arose as the result of an automobile accident, and the parties were unable to determine the municipality in which the accident occurred.
- 4. A dispute between the Boroughs involving the Lazankas property specifically resulted in action being taken by the Zoning Hearing Boards of each Borough.
- 5. Disputes have arisen over the years regarding responsibility for paving roads on and about the disputed boundary line.

- 6. Disputes have arisen between the Boroughs regarding the cleaning and maintenance of sewer lines and responsibility for fire protection.
- 7. A drawing was prepared on April 1, 1985, by Hinks and Locher Engineers, Inc., establishing an actual boundary line in the disputed area, and actual markings were affixed to the ground.

CONCLUSIONS OF LAW

- 1. The said Commissioners have jurisdiction in accordance with the Order of Court of June 19, 1985, and the Pennsylvania Borough Code, supra (53 P.S. §§45502-45506).
- Notice of hearing was given to all interested parties according to law, and a view and hearing were held and testimony received on December 18, 1985.
- 3. Bona fide disputes exist and have existed between Southmont and Westmont Borough, necessitating adjustment and fixing of the boundary line under Section 503 of the Borough Code (53 P.S.\$45503).
- 4. The Commissioners adopt and recommend the Map Showing the Relocation of a Portion of the Boundary Line Between the Borough of Southmont and Borough of Westmont, prepared by Hinks and Locher Engineers, Inc., on April 1, 1985, a copy of which is attached hereto.
- 5. The Commissioners recommend that the Court enter an Order in substantially the form attached, in accordance with Section 504 of the Borough Code (53 P.S. \$45504).

Respectfully submitted,

PETITION TO ALTER BOROUGH BOUNDARY LINES

AND NOW comes the Borough of Westmont by and through their Solicitor, William Gleason Barbin, Esq., and the Borough of Southmont, by and through their Solicitor, Daniel R. Lovette, Esq. and submit the following Joint Petition for alteration of Borough boundary lines, and in support thereof set forth the following reasons:

- 1. Authority for this Petition and the the Court acting on it is contained in 1966, February 1, P.L. No. 581, Sec 502 (53 P.S. 45502 (i)).
- 2. Westmont Borough was incorporated by the Court of Common Pleas on June 13, 1892, as recorded in the Road Docket in the Clerk of Courts Office for Cambria County at R.D. volume 10, page 258 or copy of which containing the metes and bounds is attached hereto and incorporated by reference as Exhibit A.
- 3. The Borough of Southmont was incorported by the Cambria County Court of Common Pleas on June 2, 1919, as recorded in the Road Docket in the Clerk of Courts Office for Cambria County at R.D. volume 28, page 393.
- 4. The two Boroughs have an irregular adjoining boundary in the vicinity of Luzerne Street and Stackhouse Park, as shown on the attached portions of tax maps as annexed hereto.
- 5. The Westmont Volunteer Fire Company has recently purchased property on Luzerne Street for a new fire hall, which would be more centrally located for responding to fire alarms in Westmont Borough and ambulance calls in both Westmont and Southmont Boroughs.
- 6. The land suggested for the proposed new fire hall is currently located within the Borough of Southmont. The request for change of boundary lines would adjust property lines in the Borough of Westmont so that the fire hall would be located within Westmont Borough. The only other changes are to one property, which is currently located in both Boroughs, and to Diamond Boulevard and Luzerne Street Extension, where they cross through both Boroughs.

7. That the respective Borough Councils have met, negotiated and come up with a mutually agreeable plan for alteration of boundary lines which make minimal changes to accomplish the objectives sought. The changes requested are shown on the attached map and legal description as prepared by Rick Brehm, Borough Engineer for Southmont Borough, attached hereto and made a part hereof as Exhibit B.

WHEREFORE your Petitioners pray the Court to appoint three impartial persons as Commissioners, one of them a surveyor or registered engineer to inquire into the merit of this Petition and to hold a hearing, view the lines and boundaries, prepare a report to the Court containing their opinion as to the same, to be confirmed by the Court upon notice to the parties and such interested persons as the Court may designate. NO. 5-1985

ROAD DOCKET

AMENDMENT TO PETITION TO ALTER BOROUGH BOUNDARY LINES

AND NOW comes the Petitioner, Westmont Borough, by and through their Solicitor, William Gleason Barbin, Esq., of the law firm, Gleason, DiFrancesco, Shahade & Markovitz, and makes the following amendment and additional allegation to the Petition to Alter Borough Boundary Lines, the case as docketed above averring:

8. That currently, a dispute exists between the Boroughs of Westmont and Southmont over the exact boundary lines in the area in question. The dispute arises from the fact that there has been no survey of the area for over fifty (50) years and that landmarks and points of reference have changed and has, in the past several years, and currently, manifested itself in the form of disagreements over receipt of tax payments for the Lisanko property, the placement and maintenance of sewer lines servicing Southmont Borough in an area of Diamond Boulevard designated as Westmont Borough, a dispute over zoning responsibilities for properties divided by the Borough Boundary lines, and a dispute in recent law suit concerning responsibility for maintenance of Menoher Boulevard in the vicinity of its intersection with Mill Creek Road.

9. It is expected that there will be disputes in the future over responsibilities for zoning, taxation and contributions to Workmens Compensation Insurance for the Westmont Volunteer Fire Company, should they complete their plans to build on their property, which is now currently located in Southmont Borough. These disputes would be eliminated by actions sought in the original Petition to Alter Borough Boundary Lines.

ROAD DOCKET

PETITION FOR REPLACEMENT OF COMMISSIONERS

AND NOW comes the Borough of Westmont, by and through their Solicitor, William Gleason Barbin, Esq., and respectfully requests the Court to grant the relief prayed for:

- 1. Westmont Borough filed a Petition with the Court entered to the Road Docket No. 5-1985 for the Court to approve a proposed Alteration of Borough Boundary Lines with the Borough of Southmont on June 19, 1985.
- 2. That on the same date the Court appointed a Board of Commissioners to sit and take testimony and make recommendations to the Court pursuant to provisions of 53 P.S., Sec. 48503.
- 3. That since June 19, 1985, the Board of Commissioners has failed to meet, despite repeated communications to the Chairman of that Board.
- 4. That the matter contained in the original Petition is a matter of concern and urgency to the Borough of Westmont, as the Boundary Line change will allow the Westmont Borough Volunteer Fire Company to direct a new Fire Hall without the complications as to receipt of foreign fire insurance,

insurance premiums and payment of Workmens Compensation by the Borough in which the Volunteer Fire Company is located.

5. That further delays in this matter may tend to increase the construction costs of the Fire Hall and so place the cost beyond the ability of the Westmont Volunteer Fire Company to afford the same.

WHEREFORE, your Petitioner requests the Court an earned Order dismissing the Board of Commissioners and appointing a new Board in their stead with directions to hold a hearing within thirty (30) days from the date of appointment.

Respectfully submitted,

AMENDMENT TO PETITION TO ALTER BOROUGH BOUNDARY LINES

AND NOW comes the Petitioner, Westmont Borough, by and through their Solicitor, William Gleason Barbin, Esq., of the law firm, Gleason, DiFrancesco, Shahade & Markovitz, and makes the following amendment and additional allegation to the Petition to Alter Borough Boundary Lines, the case as docketed above averring:

8. That currently, a dispute exists between the Boroughs of Westmont and Southmont over the exact boundary lines in the area in question. The dispute arises from the fact that there has been no survey of the area for over fifty (50) years and that landmarks and points of reference have changed and has, in the past several years, and currently, manifested itself in the form of disagreements over receipt of tax payments for the Lisanko property, the placement and maintenance of sewer lines servicing Southmont Borough in an area of Diamond Boulevard designated as Westmont Borough, a dispute over zoning responsibilities for properties divided by the Borough Boundary lines, and a dispute in recent law suit concerning responsibility for maintenance of Menoher Boulevard in the vicinity of its intersection with Mill Creek Road.

CLERK FILED CAMBRIA CO. PA. DEC 13 Y 36 AM 10F 9. It is expected that there will be disputes in the future over responsibilities for zoning, taxation and contributions to Workmens Compensation Insurance for the Westmont Volunteer Fire Company, should they complete their plans to build on their property, which is now currently located in Southmont Borough. These disputes would be eliminated by actions sought in the original Petition to Alter Borough Boundary Lines.
